City at World's End

Edmond Hamilton 2017-12-02 The pleasant little American city of Middletown is the first target in an atomic war - but instead of blowing Middletown to smithereens, the super-hydrogen bomb blows it right off the map - to somewhere else! First there is the new thin coldness of the air, the blazing corona and dullness of the sun, the visibility of the stars in high daylight. Then comes the inhabitant's terrifying discovery that Middletown is a twentieth-century oasis of paved streets and houses in a desolate brown world without trees, without water, apparently without life, in the unimaginably far-distant future.

Love the One You Hate R S Grey 2020-05-17 Nicholas Hunt is the man I hate. For good reason. His opinion of me is tainted by prejudice even before my arrival at his grandmother's estate, and my first impression of him is just as abysmal. His arrogance and icy demeanor make it clear that he's the type of man who's best handled at a distance. Fortunately, space shouldn't be an issue inside this Gilded Age mansion and its lush gardens. If I stick with the servants and he keeps to his sailboat and vintage Porsche, we should hardly cross paths at all. Unfortunately, at Rosethorn, I find that all

roads eventually lead to Nicholas Hunt. Sparks fly as we spar at the dinner table. Fighting words are flung in the shadows of the palatial halls. We hang suspended in our hatred of one another, painfully oblivious to the heat and tension that build with every moment we're left alone. We're liable to kill one another, I think...right up until my eyes land on his lips and a new feeling grips hold of me: lust. What's worse? He knows it. They say you should keep your enemies close, but when Nicholas tightens his grip on my waist and draws me near, I'm not sure if it's out of loathing or love. One thing's for sure-I intend to find out.

There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Getting (More Of) What You Want Margaret A. Neale 2015-07-02 Most of us worry that we're not very good negotiators - too quick to concede or too abrupt in our approach. But negotiation is present in almost every social interaction - we cannot avoid it. Neale and Lys present a practical new approach that will help you master this crucial everyday skill in every situation. Instead of focusing on reaching agreement at any cost, Neale and Lys reveal how to overcome our psychological biases and assess the hidden

value in any negotiation. They explain how to know what a good deal is; when to negotiate and when to walk away; why keeping a straight face can prevent you from getting the best deal; when to make the first offer and when to wait; and why meeting in the middle can result in both sides being worse off. Drawing on three decades of ground-breaking research into behavioural economics, psychology and strategic thinking, *Getting (More of) What You Want* will revolutionise the way you approach negotiation. Whether you're looking for a better deal on your new car, asking for a pay rise, selling your company or just deciding who does the washing up, this book will help you become a more successful, more efficient negotiator - and get more of exactly what you want.

Suicide Squeeze William C. Kashatus 2017-01-23 Appearance- and performance-enhancing drugs—specifically, anabolic steroids (APEDs)—provide a tempting competitive advantage for amateur baseball players. But this shortcut can exact a fatal cost on talented athletes. In his urgent book *Suicide Squeeze*, William Kashatus chronicles the experiences of Taylor Hooton and Rob Garibaldi, two promising high school baseball players who abused APEDs in the hopes of attracting professional scouts and Division I recruiters. However, as a result of their steroid abuse, they ended up taking their own lives. In *Suicide Squeeze*—named for the high-risk play in baseball to steal home—Kashatus identifies the symptoms and dangers of steroid use among teens. Using archival research and interviews with the Hooton and Garibaldi families, he explores the lives and deaths of these two troubled young men, the impact of their suicides on MLB, and the ongoing fight against adolescent APED use by their parents. A passionate appeal to prevent additional senseless deaths by athletes, *Suicide Squeeze* is an important contribution to debates on youth and sports and on public

Ikrar yang sudah kami teguhkan seharusnya bisa mengikat kami lebih erat daripada darah dan daging. Namun, janji itu malah membuka luka-luka lama, membuka rasa sakit dan gelisah, serta mengeluarkan musuh-musuh yang tadinya bersembunyi. Aku merasakannya terlepas dari genggamanku, ketakutan terbesarku menjadi nyata. Cintaku diuji hingga aku nyaris tak kuat menanggungnya. Kami menghadapi pilihan yang buruk: kembali lagi ke kehidupan lama kami yang nyaman sebelum kami saling mengenal atau memperjuangkan masa depan yang mendadak terasa jauh dan tanpa harapan...

Perfect Kisses Susan Johnson 2007-07-01 SCHOOL FOR SCANDAL: James Bell, Viscount Ormond, is a shameless rake, infamous for his skills in seduction--and Claire Russell doesn't intend for her sister to become his latest conquest. That is why she's come to the viscount's private masked ball. The flagrant sensuality and unabashed decadence on display there are shocking, but they are nothing compared to the scandalous fire Claire feels when James makes a wholly improper suggestion--improper, indecent, and very, very tempting. MISCHIEF AND THE MARQUESS: Justin, the Marquess of Fontaine and Lady Sophie Milton-Riley have no desire to marry. To

satisfy their mothers' insistence that they would be quite right together, they set out to demonstrate how completely ill suited they are for one another. Justin is allergic to her perfume. Sophie dislikes his dogs. He prefers blondes; she, brunette men. But the more they seek to prove how wrong their union would be, the more right things feel. And when opposites attract, there's no denying the sparks or the heat. RUBY KISS: Susannah Fowler is in possession of many temptations--an independent nature, a quick wit, and lush curves. She is also in possession of a fortune in stolen jewels hidden within her favorite corset. If rakehell Carlyle Jameson wants it, he will have to remove it himself. From her boudoir or from her body. One kiss ought to distract her, but one kiss leads to another and another, till there's no turning back and no desire to try.
