Design History Beyond the Canon Jennifer Kaufmann-Buhler
2019-02-07 Design History Beyond the Canon subverts
hierarchies of taste which have dominated traditional narratives
of design history. The book explores a diverse selection of
objects, spaces and media, ranging from high design to mass-
produced and mass-marketed objects, as well as counter-cultural
and sub-cultural material. The authors' research highlights the
often marginalised role of gender and racial identity in the
production and consumption of design, the politics which
underpins design practice and the role of designed objects as
pathways of nostalgia and cultural memory. While focused
primarily on North American examples from the early 20th
century onwards, this collection also features essays examining
European and Soviet design history, as well as the influence of
Asia and Africa on Western design practice. The book is
organised in three thematic sections: Consumers, Intermediaries
and Designers. The first section analyses a range of designed
objects and spaces through the experiences and perspectives of
users. The second section considers intermediaries from both
technology and cultural industries, as well as the hidden labour
within the design process itself. The final section focuses on
designers from multiple design disciplines including high fashion,
industrial design, interior design, graphic design and design
history pedagogy. The essays in all three sections utilise different
research methods and a wide range of theoretical approaches,
including feminist theory, critical race theory, spatial theory,
material culture studies, science and technology studies and art
history. Design History Beyond the Canon brings together the
most recent research which stretches beyond the traditional

canon and looks to interdisciplinary methodologies to better understand the practice and consumption of design.

Narratives of Social Work Practice and Education in Sweden

Linda Lane 2020-08-03 This book brings a novel approach to issues of connecting social work practice to theory and the personal life narrative. The authors each find their own unique way of integrating the self, theory, and practice, in different social work practice and education settings. Contributors use the methodology of narrative to tell their story about their social work journey, be that in research, teaching, or practice. The backdrop for this book is Sweden. The country's rich heritage of welfare provision but also recent cultural diversity offers a unique Nordic context to the subject matter. The contributors engage with these new conditions for Swedish social work through an intersectional lens. Topics explored include: Digging in the present: A day in the life of a school counsellor We live in a political world: Between needs and money The problematic labour market situation of immigrants to Sweden: Consequences and causes Tackling the contradictory nature of social work Using anti-oppressive practice to promote social inclusion in social work education The result is a book that is personal and reflexive, and positions the contributors' narratives as a window to understand and address social problems. Narratives of Social Work Practice and Education in Sweden should engage those interested in the Swedish welfare state, and who want to learn about how social work is taught and practised in this country. Intended to be a general introduction, the book provides guidance to those considering working in the field and for those newly qualified. It also provides examples for students of social work to connect personal narratives to social work settings.

To Be Soul, Do Soul Hiro Boga 2017-11-07 Whether you long to make art, write a book, nurture a business or engage in sacred activism to create a world that works for everyone, To Be Soul, Do Soul offers wisdom and inspiration to fuel your journey with

love, joy, delight and magic.

Risk, Challenge and Adventure in the Early Years Kathryn Susan Solly 2014-12-05 What is the difference between 'risk' and 'danger'? What can children learn from taking risks? How can you provide key experiences for children and ensure their safety outdoors? Young children will naturally seek out challenges and take risks and this is crucial to their overall development. This book clearly explains why children should be given the freedom to take risks and provides practical guidance on how to offer stimulating and challenging outdoor experiences that will extend all areas of children's learning. Including examples of activities for all weather conditions across all areas of learning, the book covers: The pedagogical history of adventure, risk and challenge Health, wellbeing and keeping safe The adult role Risk assessment Supporting individual children with different needs Environments that enable challenging and adventurous play Working with parents and addressing concerns Observation, planning and assessment This book is essential reading for practitioners and students that wish to provide rich experiences for children that will enable them to become confident and adventurous learners.

Resources in Education 1998

Art as Adventure Rosemary O'Neill 2018-07-26 This volume represents a collection of six essays written by artists and art historians about journeys to places and methods of practice that challenge perceived taxonomies. The artist as traveler has deep historical precedents as contemporary art production today, and has historically followed political, economic, and cultural expansion. The role of the artist as witness, reporter, geographer, collector, and educator exemplifies the significance of mobility, geographic and cultural mediation in the productions of art and visual culture, and the critical questions raised as a result. The book encompasses a variety of perspectives on how artist-travelers have embraced and contextualized the places, people, cultures and overall experiences encountered on their journeys.

Each chapter unveils different and unique approaches which artists have taken in reacting and creating as part of a journey in which they are often the outsiders to the culture and place. Visual mappings conveying geo-locative walking data, recreations of indigenous ritual as installation, participatory video installations uncovering community perspectives, and a reflective diary about walking across lands affected by natural disaster are some of the ways these artists and historians examine the experiences the artists have encountered abroad. Each piece is completely unique, yet united in the act of journey and pursuit of alternative narrative born of the experience.

L2 Learning as Social Practice Gabriele Pallotti 2011 This volume collects empirical studies applying Conversation Analysis to situations where second, third, and other additional languages are used. A number of different aspects are considered, including how linguistic systems develop over time through social interaction and how the linguistic-interactional divide can be bridged with studies combining Conversation Analysis and Functional Linguistics.

Use It Or Lose It Dana Burnett 2021-05 Pathways to Healthy Living - The Incredible, True Adventures of Lew Hollander, a Senior International Triathlete. He's a Senior Ironman known around the world. There is perhaps no single human event that teaches us so much about being in our bodies, being at our best, knowing what it really means to be human, than sports. But in this incredibly complex time we're living in, there are not as many role models for healthy and vital aging as there possibly could be. Collections Pathways to Adventure Practice Book Grade 5 2000 Pie Corbett's Poetry Spine Teacher's Guide Pie Corbett 2020-03-05 "When I was a teacher poetry was absolutely at the heart of teaching English. Not only do children love hearing poetry, they love reading and performing poetry and that's a great place to start with poetry." Pie Corbett Pie Corbett's Poetry Spine Teacher's Guide offers teaching notes designed to help teachers

explore some of the best poems and poets with children aged 4-11. This book will help children to foster a love of poetry, increase familiarity and confidence with poems and rhymes from Nursery - Year 6 and offer creative ideas to get the most out of teaching poetry. Pie Corbett is an educationalist, literary expert and author, well-known for his books on teaching creative writing, as well as writing many other books, schemes and anthologies.

Adventure Psychology Paula Reid 2022-12-23 In recent years a new set of psychological principles has emerged from research investigating adventure and adventurous activities. Adventure involves a special type of physical activity in natural contexts where participants voluntarily participate in experiences where the environment and activity are challenging, perhaps dangerous and potentially life threatening. To go on an adventure is to participate in an enduring event requiring sustainable effort, where effective performance is measured not only by success but also by survival. This book brings together the emerging literature in 'Adventure Psychology' that supports enduring performance and wellbeing. The first section examines sustaining performance and wellbeing. The second section studies the transformative aspect of adventure. Adventure Psychology is of use in everyday life and the techniques and understandings can help people and business prepare for the future. This book will help us all thrive despite adversity, volatility and uncertainty. Written for trainers, educators, researchers and students of sports, performance and organisational psychology as well as adventurers and endurance athletes, Adventure Psychology is designed to meet the needs of specialists across a variety of fields but importantly also to be accessible and applicable for those wanting to live life fully — to realise our full potential.

The Uncommon Marriage Collection: Uncommon Marriage / The Uncommon Marriage Adventure Lauren Dungy 2017-02-07 This collection bundles two of New York Times bestselling author Tony and Lauren Dungy's popular titles into one e-book for a great value! **Uncommon Marriage** What does it take to build a

marriage that will last? Tony and Lauren Dungy have together known the highest of highs and the lowest of lows. They fell in love, built a family, and made sports history when Tony became the first African American head coach to win the Super Bowl. Yet they've also gone through difficult, relationship-testing setbacks, including job loss and devastating personal tragedy. In a culture where it seems harder and harder to make marriage last, what has kept the Dungys strong through it all? In *Uncommon Marriage*, Tony and Lauren share the secrets that hold them together, revealing what they've learned so far about being a good husband or wife; getting through times of loss, grief, or change; staying connected despite busy schedules; supporting each other's dreams and goals; and helping each other grow spiritually. They offer encouragement and practical advice to equip your marriage to survive tough issues and flourish with joy, purpose, and partnership—in other words, to be a marriage that is truly uncommon. *The Uncommon Marriage Adventure* Marriage is an adventure unlike any other. At times, you and your spouse may feel so close, connected, and in love that you're ready to take on the world together. But other times things grow distant, and you wonder where all the joy and excitement has gone. What is the secret to a happy, healthy, God-honoring marriage—one that will last through anything that comes your way? Join Tony and Lauren Dungy in *The Uncommon Marriage Adventure*, a series of daily reflections for couples. With transparency, wisdom, and humor, the Dungys share what they've learned over 30 years of marriage about faith, teamwork, conflict, communication, and more. Through each day's reading, you and your spouse will go deeper in loving, understanding, and learning to serve each other. Dare to embark on your own marriage adventure—and discover how to make your relationship truly uncommon.

AYESHA SERIES – Complete Collection: *She* (A History of Adventure) + *Ayesha* (The Return of She) + *She & Allan* + *Wisdom's Daughter* Henry Rider Haggard 2016-04-08 This

carefully crafted ebook: "AYESHA SERIES – Complete Collection: She (A History of Adventure) + Ayesha (The Return of She) + She & Allan + Wisdom's Daughter" is formatted for your eReader with a functional and detailed table of contents: "She" is one of the classics of imaginative literature, and one of the best-selling books of all time. She was extraordinarily popular upon its release and has never been out of print. The story is a first-person narrative that follows the journey of Horace Holly and his ward Leo Vincey to a lost kingdom in the African interior. There they encounter a primitive race of natives and a mysterious white queen named Ayesha who reigns as the all-powerful "She", or "She-who-must-be-obeyed". In this work, Rider Haggard developed the conventions of the Lost World subgenre, which many later authors emulated. "Ayesha, the Return of She" is a gothic-fantasy novel, a sequel to his far more popular and well known novel, She. "She and Allan" is a novel, in which Haggard brought together his two most popular characters, Ayesha from She (to which it serves as a prequel), and Allan Quatermain from King Solomon's Mines. Wisdom's Daughter is the final book in the Ayesha series. Sir Henry Rider Haggard (1856-1925) was an English writer of adventure novels set in exotic locations, predominantly Africa, and a pioneer of the Lost World literary genre. His stories, situated at the lighter end of Victorian literature, continue to be popular and influential. His novels portray many of the stereotypes associated with colonialism, yet they are unusual for the degree of sympathy with which the native populations are portrayed.

The Adventure of the Illustrious Scholar Elizabeth Simpson 2018-06-12 The Adventure of the Illustrious Scholar: Papers Presented to Oscar White Muscarella, edited by Elizabeth Simpson, celebrates the career of one of the foremost archaeologists of the ancient Near East. Forty-seven major scholars contribute to this unusual and important volume.

Rakes & Rebels: The Raveneau Family, Collection Three: (His Make-Believe Bride, His Reckless Bargain, Tempest) Cynthia

Wright 2018-01-31 Step back in time with Cynthia Wright and immerse yourself in a world of rakes and rebels...where adventure, romance, humor, and intrigue all conspire to weave tales you will never forget! "Cynthia Wright always delivers, book after book. If you are a tried and true fan already, you can't wait for another new release. If you are new to her books....well, lucky, lucky you. Let the reading begin!!" ~ Elizabeth Clayton, Amazon reader

Meet the Raveneau family and their friends in **Rakes & Rebels: The Raveneau Family, Books 6-8: HIS MAKE-BELIEVE BRIDE** – Cornwall, 1818 – Untamable pirate Justin St. Briac and destitute widow Mouette Raveneau bring all their baggage, defenses, and hidden longings to a marriage that's only make-believe. Will they be able to open their hearts to real love?

HIS RECKLESS BARGAIN – England & Barbados, 1818 – Regency rake Nathan Raveneau masquerades as protector to impetuous Adrienne Beauvisage, charged to keep her safe and chaste... but matters get complicated when he abducts her himself, sailing off to magical Barbados.

TEMPEST – America & Barbados, 1903 – Newport heiress Catherine Parrish eludes her mother's ambition that she wed a duke by proposing a marriage of convenience to destitute rake Adam Raveneau. On his neglected Barbados estate, can Cathy and Adam navigate the bumpy path to real love? The collection contains Books 6-8 in **Rakes & Rebels: The Raveneau Family** series: 1 - **SILVER STORM** (André & Devon) 2 - **HER HUSBAND, THE RAKE**: a sequel novella (André & Devon) 3 - **SMUGGLER'S MOON** (Sebastian & Julia) 4 - **THE SECRET OF LOVE** (Gabriel & Isabella) 5 - **SURRENDER THE STARS** (Ryan & Lindsay) 6 - **HIS MAKE-BELIEVE BRIDE** (Justin & Mouette) 7 - **HIS RECKLESS BARGAIN** (Nathan & Adrienne) 8 - **TEMPEST** (Adam & Cathy)

Napoleonic Wars - Historical Adventure Collection Arthur Conan Doyle 2022-05-17 Arthur Conan Doyle was a prolific writer of historical fiction with special interest and affection towards Napoleon's era. _x000D_ "The Great Shadow" takes place in the

Napoleonic era on the English-Scottish border city called West Inch. It refers to the Napoleon's influence and his reputation that forms a shadow over West Inch.

"Uncle Bernac" – Louis de Laval, a young French aristocrat in exile receives a mysterious invitation to join his uncle Bernac in France and enter into Napoleon's service. The novels follows the adventures of Louis and Bernac, and the story of life in Napoleon's camp on the French Coast.

"Brigadier Gerard Stories" – Etienne Gerard, is a Hussar officer in the French Army during the Napoleonic Wars. Gerard's most notable attribute is his vanity. Obsessed with honor and glory, he is always ready with a stirring speech or a gallant remark to a lady.

More Together Than Alone Mark Nepo 2019-07-09 Mark

Nepo—the #1 New York Times bestselling author and popular spiritual teacher—“has given us not only a much-needed message of hope and inspiration, but a practical guide on how to build a better tomorrow, together” (Arianna Huffington, founder of HuffPost). This poignant and timely meditation on the importance of community, demonstrates how we can live more enriching lives by cultivating connectedness. At once a moving meditation and an empowering guide, *More Together Than Alone* is a compelling testament to the power of community and why it’s so essential in our lives, now more than ever. Mark Nepo draws from historical events, spiritual leaders, and the natural world to show how, in every generation, our tendency is to join together to accomplish our greatest achievements, from creating education to providing clean drinking water, and preserving the arts. Nepo’s historical snapshots, from ancient times to contemporary examples, show how community creates a light in the darkest of times. The book explores the heart of how we come together in varied and beautiful ways, whether forming resistance groups during the Holocaust or rebuilding after the nuclear devastation in Nagasaki. These inspiring stories teach us that even in the bleakest days, we have the power to create connections and draw strength from one another. Featuring thought-provoking analysis and practical takeaways, *More Together Than Alone* will help us inhabit a stronger sense of togetherness where we live and in the world so we can achieve our highest potential, as individuals, and as communities. “In an age of racial divisions, school shootings, and international conflict, this book’s message about the necessity of coming together is timely, and its examples of human compassion and unity are often comforting” (Publishers Weekly).

Pathways to Stillness Gary Irwin-Kenyon 2016-07-14 This book is about stillness: What it is. How you can find it. Where it hides itself. Why it is necessary to your life. It is a beginner's guide, because with stillness, no experience is necessary. Besides, you are always a beginner in any case, because when it is present, there truly is nothing to do and nowhere to go. This book is also about learning to appreciate wandering or meandering along life's pathways. It does not contain "Six easy steps to wisdom and immortality". Rather, it offers a way to approach your journey, which you then create and discover on your own, with help You are invited to find a Pathway to Stillness that fits "your" life. On this pathway, you often cannot see what is around the next bend. However, you need only show up for it to become a journey of curiosity, wonder, and more life. You may come to agree with the phrase, "All who wander are not lost". Although this is a book about slowing down to stillness, it is a "pickup-and-go" book that can be read in short segments within a busy life. The stillness stories and the easy to learn relax-into-stillness movements can be enjoyed in any order that suits you. You can linger with those that speak to you the most. With this book, you can practise stillness while waiting for an appointment, before going to sleep, or whenever you can steal some time for yourself....

Preaching What We Practice From major issues such as the threat of terrorism or the war in Iraq, through to social issues such as abortion or euthanasia, contemporary Christians are faced with almost daily quandaries. Often the first person a

Christian will turn to in times of trouble or uncertainty is their local priest. In this day and age priests need to be able to address any number of problems and questions that parishioners have, often with little in the way of counseling training. This book, written by two respected authors - one a preacher, the other an ethicist, will go a long way to not only helping priests to provide moral discernment, but to actively welcome helping people through difficult times

The Essential Wayne Dyer Collection Wayne W. Dyer, Dr. 2013-09-24 The #1 New York Times best-selling author Wayne Dyer has been inspiring people to change their lives for many years. Now three of his most fascinating books are collected in this single volume: • The Power of Intention details Wayne's research on intention as a force in the universe that allows the act of creation to take place. He explains that it is not something we do, but rather an energy we're a part of. This is the first book to look at intention as a field of energy that we can access to begin co-creating our lives. • Inspiration dissects feelings of emptiness, the idea that there must be something more, and trying to determine the meaning of life . . . all evidence of a yearning to reconnect with our soul space. This book explains how we've chosen to enter this world of particles and form, and each chapter is filled with specifics for living an inspired life. From a very personal viewpoint, Wayne offers a blueprint through the world of Spirit to inspiration, our ultimate calling. • Excuses Begone! reveals how to change the self-defeating thinking patterns that have prevented us from living at the highest levels of success, happiness, and health. Wayne presents many of the conscious and subconscious crutches most of us employ, along with ways to cast them aside once and for all. The old, habituated ways of thinking will melt away as the absurdity of hanging on to them is exposed, and we ultimately come to realize that there are no excuses worth defending—ever. The Essential Wayne Dyer

Collection is a must-read for those wanting to explore the power and potential of the human mind, as well as anyone who is finally ready to live the best life possible!

American Civil War: The Definitive Encyclopedia and Document Collection [6 volumes] Spencer C. Tucker 2013-09-30 This expansive, multivolume reference work provides a broad, multidisciplinary examination of the Civil War period ranging from pre-Civil War developments and catalysts such as the Mexican-American War to the rebuilding of the war-torn nation during Reconstruction.
