The Cover Up Hans W Fahrmeyer 2018-06-03 The Cover-Up. The intent is to evoke desire, and it's evident in the eyes of the models on each page.

The energy is palpable through his use of vibrant colors, unique body poses and positions, as well as his creative editing. Hans channels the energy into images drenched in both intensity and urgency. Heroics 2011 Photographer Paul Freeman takes a sometimes tongue-in-cheek look at the way European men have adorned and mythologized themselves and their physical courage over the centuries, and refers for inspiration to monumental art and paintings that were the work of artists who tended to depict a fantasy of sensuality rather than the brutal masculinity of reality. This sumptuous collection of gorgeous male art nude photographs is printed on large format art stock paper, another masterful tome by the inimitable Freeman, following closely on the heels of his bestselling Bondi and Outback series of books.

Bondi Work Paul Freeman 2006 With the focus on the Aussie blue-collar worker, 'Bondi Work' continues Freeman's fascination with capturing what is intrinsic to male beauty. Following close on the heels of 'Bondi Urban', which portrayed lads of a surf and beach culture, Freeman's choice of models, the way he directs them into sharing intimate moments, his trademark use of dramatic lighting to elevate simple compositions, and his use of color, again infuses this work with a painterly

romanticism. He uses his fellow countrymen (Australia) to show us the virile attitude of the untamed, knows how to make the partially clothed form even more sensuous than the fully nude form, and creates photographs that are well conceived and executed and presented in a superb format.

Dirk Bikkembergs Dirk Bikkembergs 2014-01-28

This volume marks the twenty-fifth anniversary of the groundbreaking fashion designer who bridged the exclusivity and sex appeal of fashion and the universality and masculinity of sports. One of the much-written-about Antwerp Six group of influential cutting-edge Belgian fashion designers, Dirk Bikkembergs audaciously chose to focus his designs on the intersection between fashion and sport, particularly pieces designed for or inspired by soccer. Seeing sports as a universal language, Bikkembergs designed haute couture for athletes who are themselves already aesthetic icons of masculinity. The first designer to hold a fashion show in a sports stadium, Bikkembergs uses his local soccer team as a laboratory for styling with the latest fabric technology, creating designs that are sexy yet comfortably flexible, from exclusive jackets to high-performance underwear and sporty street shoes. In this handsome book, all of his one-of-a-kind designs are showcased in photographs taken

in various locations around the world.

Heroics George Effinger 2011-12-12 In HEROICS, Irene - like everyone in the future - struggles with boredom. Food, clothing, and all the necessities of human life have been taken care of. But, what does that leave of life itself? At eighty-two, Irene sets out on a pilgrimage across America hoping to find the answer. Along the way, she becomes transformed, both physically and by her interactions with other civilians all trying to cope with this new world. Filled with wry humor and fantastic symbolism, HEROICS mixes adventure and philosophy in a way both engrossing and entertaining. Of this book, friend and fellow writer Harlan Ellison said, 'It is the best Effinger yet, and for those of us who have been watching with amazement that is about as rich a compliment as you can expect from other envious authors. Damn him, he's good!' George Alec Effinger was a true master of satirical Science Fiction. Before his death in 2002, Effinger was a prolific novelist and short story writer, earning acclaim from his fans and peers, including a Nebula Award nomination for his first book WHAT ENTROPHY MEANS TO ME. In HEROICS, he revisits some of the themes and characters of that first book for startling, funny and poignant results. Outback Brumby 2010-09-01 "The third book in a

series featuring photographs themed around the Australian countryside, studying men and masculinity in rugged outdoor and rustic farm settings"--Jacket.

Wanderers Kerri Andrews 2020-10-07 “A wild portrayal of the passion and spirit of female walkers and the deep sense of ‘knowing’ that they found along the path.”—Raynor Winn, author of *The Salt Path* “I opened this book and instantly found that I was part of a conversation I didn't want to leave. A dazzling, inspirational history.”—Helen Mort, author of *No Map Could Show Them* This is a book about ten women over the past three hundred years who have found walking essential to their sense of themselves, as people and as writers. *Wanderers* traces their footsteps, from eighteenth-century parson's daughter Elizabeth Carter—who desired nothing more than to be taken for a vagabond in the wilds of southern England—to modern walker-writers such as Nan Shepherd and Cheryl Strayed. For each, walking was integral, whether it was rambling for miles across the Highlands, like Sarah Stoddart Hazlitt, or pacing novels into being, as Virginia Woolf did around Bloomsbury. Offering a beguiling view of the history of walking, *Wanderers* guides us through the different ways of seeing—of being—articulated by these ten pathfinding women.

??? Hanshan 2000 This authoritative, bilingual edition represents the first time the entirety of Cold

Mountain's poetry has been translated into English. These translations were originally published by Copper Canyon Press nearly twenty years ago. Now, significantly revised and expanded, the collection also includes a new preface by the translator, Red Pine, whose accompanying notes are at once scholarly, accessible, and entertaining. Also included for the first time are poems by two of Cold Mountain's colleagues. Legendary for his clarity, directness, and lack of pretension, the eight-century hermit-poet Cold Mountain (Han Shan) is a major figure in the history of Chinese literature and has been a profound influence on writers and readers worldwide. Writers such as Charles Frazier and Gary Snyder studied his poetry, and Jack Kerouac's *Dharma Bums* is dedicated "to Han Shan."

Larrikin Americana Paul Freeman 2019-08-31 A book of male nude portraits shot in the great outdoors.

Heroics II Paul Freeman 2013-06-01 A collection of fine art nude photographic portraits of men captured in the classical tradition of the heroic and mythical, in the grandiose and dramatic poses of the post-renaissance tradition, shot in both contemporary, post-modernist and neo classic or painterly environments, with over 180 photographs in both colour and warm toned black and white. This collection complements and evolves the theme developed in the first 'Heroics' book published in 2011, and has been influenced by and references the male in sculpture and painting in Western

European art from the Renaissance onwards. The book plays with contemporary societal attitudes to the naked male in public and art by juxtaposing our collective artistic consciousness and heritage with the reality of the contemporary naked male physique.

Larrikin Yakka Paul Freeman 2017-03-20 A book of male nude portraits shot around the theme of manual labour.

David Fincher: Mind Games Adam Nayman 2021-11-23 David Fincher: Mind Games is the definitive critical and visual survey of the Academy Award– and Golden Globe–nominated works of director David Fincher. From feature films *Alien 3*, *Se7en*, *The Game*, *Fight Club*, *Panic Room*, *Zodiac*, *The Curious Case of Benjamin Button*, *The Social Network*, *The Girl With the Dragon Tattoo*, *Gone Girl*, and *Mank* through his MTV clips for Madonna and the Rolling Stones and the Netflix series *House of Cards* and *Mindhunter*, each chapter weaves production history with original critical analysis, as well as with behind the scenes photography, still-frames, and original illustrations from Little White Lies' international team of artists and graphic designers. Mind Games also features interviews with Fincher's frequent collaborators, including Jeff Cronenweth, Angus Wall, Laray Mayfield, Holt

McCallany, Howard Shore and Erik Messerschmidt. I Am John Galt Donald Luskin 2011-05-04 Inspired by Ayn Rand's characters in Atlas Shrugged and The Fountainhead, penetrating profiles of both the innovators who move our world forward and those who seek to destroy the achievement of others John Galt, the fictional character from Ayn Rand's bestselling novel, Atlas Shrugged, has come to embody the individualist capitalist who acts in his own enlightened self interest, and in doing so lifts the world around him. Some of today's most successful CEOs, journalists, sports figures, actors, and thinkers have led their lives according to Galt's (i.e., Rand's) philosophy. Now, in I Am John Galt, these inspiring stories are gathered with the keen insight and analysis of well-known market commentator Donald Luskin and business writer Andrew Greta. Filled with exclusive interviews, profiles, and analyses of leading financial, business, and artistic stars who have based their lives, and careers, on the philosophy of the perennially popular Ayn Rand, this book both inspires and enlightens. On the other side are Rand's arch villains? the power-seekers, parasites, and lunatics who would destroy that which the creators and

builders make. Who are today's anti-heroes, fighting the creativity of the innovators? Contains insightful interviews, profiles, and analyses of the individuals who have lived by a Randian code to achieve greatness for themselves and others. Offers a probing analysis of those who seek to destroy or undo the achievements of others? from academics, pundits, and government bureaucrats to fraudsters who have wreaked havoc on our world. Engaging and entertaining, *I Am John Galt* examines how the inspiration that is Galt thrives more than 50 years after publication of *Atlas Shrugged*. It will spark the interest of Ayn Rand fans everywhere, as well as those seeking a way to succeed in today's turbulent and confusing times.

*Bondi Urban* Paul Freeman 2005 This stunning volume is the follow-up to the very successful *Bondi Classic* the first book in the *Bondi Series* by Paul Freeman. At Bondi in Sydney, Australia, the eastward growth of the city is halted by the Pacific Ocean. Despite the unappealing architecture of the area, it has developed among the warm climate and natural wonders a free-spirited subculture of young men. It is a mecca for young men from all over the world. Paul Freeman's work captures that free-wheeling and devil-may-care attitude of this current

youth culture.

Dirty windows Merry Alpern 1995 For Merry Alpern, whose previous book *Dirty Windows* (Scalo, 1995) received international recognition, her new project was a natural outgrowth of her own daily life: spending time in stores, mostly women's clothing stores. She noticed other women in these stores in the middle of the day, all day, everyday. In particular, the group dressing rooms seemed to offer a combination of camaraderie and anonymity. Trying on clothes is an opportunity for self-examination, fantasy, and opinions from others -- sometimes solicited, sometimes not. Alpern says. "We stand there in our underwear, all trying to achieve some private version of a 'look'." With a video camera concealed in her purse, Alpern took endless hours of footage, without ever looking through a viewfinder, but putting the bag in a general direction of activity. Sometimes the bag was an extension of her body as she carried it with her, other times it was placed in a stationary position, separate from her body. Later Alpern started to examine the footage, to isolate moments and make stills. "Viewing surprises on the video tape was one of the most entertaining parts of the project." With this new photographic essay, Alpern dives into the realm of the objects that cover our social body. Her

colorful images constitute a visual ethnography of American shopping, indeed one of the most important activities of everyday life in the West. Shopping is a sometimes shocking and often funny expedition into a world we all know only too well! Uncensored 2020-04 In this unique collection of black and white photography, acclaimed artist Gruenholtz has accomplished something very rare in male erotica. In the style of a classic fine-art photo documentarist, he captures the fascinating world of gay adult entertainment with virtuosity and sensitivity. His beautiful "behind-the-scenes" photographs, simultaneously frank and lyrical, constitute a compelling long-form portrait of Michael Lucas and his models over the course of an unprecedented year-long creative journey. Shot on location in New York, Fire Island, Puerto Vallarta and Barcelona.
