Core Library is an imprint of Abdo Publishing, a division of ABDO.

March On! Christine King Farris 2008 Having led thousands in a march for civil rights to the foot of the Lincoln Memorial on August 28, 1963, Martin Luther King, Jr. gave a speech that would forever inspire people to continue to fight for change in the years ahead.

Living the Dream Daniel T. Fleming 2022-04-26 Living the Dream tells the history behind the establishment of Martin Luther King Jr. Day and the battle over King's legacy that continued through the decades that followed. Creating the first national holiday to honor an African American was a formidable achievement and an act of resistance against conservative and segregationist opposition. Congressional efforts to commemorate King began shortly after his assassination. The ensuing political battles slowed the progress of granting him a namesake holiday and crucially defined how his legacy would be received. Though Coretta Scott King's mission to honor her husband's commitment to nonviolence was upheld, conservative politicians sought to use the holiday to advance a whitewashed, nationalistic, and even reactionary vision of King's life and thought. This book reveals the lengths that activists had to go to elevate an African American man to the pantheon of national heroes, how conservatives took advantage of the commemoration to bend the arc of King's legacy toward something he never would have expected, and how grassroots causes, unions, and antiwar demonstrators continued to try to claim this sanctified day as their own.

Dream

Martin Luther King (Jr.) 2007 Full of quotes from Martin Luther King, Jr.

Happy Martin Luther King Day Great Publishing House 2020-01-15 A universal notebook designed on Martin Luther King's Day for you or a friend. Nursery-worthy." --The New York Times

What Is Martin Luther King, Jr. Day? Margot Parker 1990-08 Describes the life of the civil rights worker who is honored on Martin Luther King Day.

Martin's Dream Day Kitty Kelley 2017-01-03 Bestselling author and journalist Kitty Kelley combines her elegant storytelling with Stanley Tretick's iconic photographs to transport readers to the 1963 March on Washington, bringing that historic day vividly to life for a new generation. Martin Luther King Jr. was nervous. Standing at the foot of the Lincoln Memorial, he was about to address 250,000 people with what would become known as his "I Have a Dream Speech"—the most famous speech of his life. This day—August 28, 1963—was a momentous day in the Civil Rights Movement. It was the culmination of years spent leading marches, sit-ins, and boycotts across the South to bring attention to the plight of African Americans. Years spent demanding equality for all. Years spent dreaming of the day that black people would have the same rights as white people, and would be treated with the same dignity and respect. It was time for Martin to share his dream.

"I Have a Dream" Speech

Martin Luther King (Jr.) 1999

The Rabbi and the Reverend Audrey Ades 2021-11-01 A timely tale of Black and white Americans working together for a cause.

Martin's Dream Christine Platt 2021 Ana & Andrew are always on an adventure! They live in Washington, DC with their parents, but with family in Savannah, Georgia and Trinidad, there's always something exciting and new to learn about African American history and culture. Aligned to Common Core standards and correlated to state standards.

What Is America? Vanester Pugh 2013-05-31 As I was growing up as a child in a remote hamlet in South Georgia in the early 1920s, I was always on the verge of blowing my mind, when I would try to fathom the unfathomable. That is, what I would see from day to day was a stark and ever present reality of a rigid line of demarcation of racism, an impregnable wall of separation between black Americans and white Americans, in a, so-called, land of the free and home of the brave. The country was as dark as a stormy midnight. It was so lightless that black Americans could not behold even a dim glow of freedom, justice and equality. However, white citizens could cross the line of separation at their pleasure and demean and trample upon the rights of black citizens, without any consideration of punishment. On the other hand, black citizens had been harshly schooled and mandated, over the years, to tolerate racism and its pernicious and uncivilized side effects, in order to survive. Therefore it was almost impossible for black Americans to find any moral or ethical ground to put their weight upon, in a nation that was always teetering on the brink of imminent moral bankruptcy, because of its gross inhumanity to black Americans, bona fide citizens of the United States. And for an eternity of 188 years, the United States, several parcels of disproportional, wayward and incongruous commonwealths, was bare of a moral compass, nil of empathy and compassion, and as inflexible as steel against the civil rights of black Americans. The country was so vile that it became ashamed of its own vileness and tried to hide its foulness behind the fig leaves of lofty and sublime words and phrases such as, One nation under God, indivisible, with liberty and justice for all, and with Gods endowment of Life, Liberty, and the pursuit of Happiness, for all men and women who are created in the image and likeness of God.

Martin's Dream Clayborne Carson 2013-01-08 On August 28, 1963 hundreds of thousands of demonstrators flocked to the nation's capital for the March on Washington for Jobs and Freedom, where Dr. Martin Luther King Jr. delivered his famous "I Have a Dream" speech. It was Clayborne Carson's first demonstration. A nineteen year old black student from a working-class family in New Mexico, Carson hitched a ride to Washington. Unsure how he would return home, he was nonetheless certain that he wanted to connect with the youthful protesters and community organizers who spearheaded the freedom struggle. Decades later, Coretta Scott King selected Dr. Carson—then a history professor at Stanford University-- to edit the papers of her late husband. In this candid and engrossing memoir, he traces his evolution from political activist to activist scholar. He vividly recalls his involvement in the movement's heyday and in the subsequent turbulent period when King's visionary Dream became real for some and remained unfulfilled for others. He recounts his conversations with key African Americans of the past half century, including Black Power firebrand Stokely Carmichael and dedicated organizers such as Ella Baker and Bob Moses. His description of his long-term relationship with Coretta Scott King sheds new light on her crucial role in preserving and protecting her late husband's legacy. Written from the unique perspective of a renowned scholar, this highly readable account gives readers valuable new insights about the global significance of King's inspiring ideas and his still unfolding legacy

Martin Scorsese and the American Dream Jim Cullen 2021-06-18 More than perhaps any other major filmmaker, Martin Scorsese has grappled with the idea of the American Dream. His movies are full of working-class strivers hoping for a better life, from the titular waitress and aspiring singer of Alice Doesn't Live Here Anymore to the scrappy Irish immigrants of Gangs of New York. And in films as varied as Casino, The Aviator, and The Wolf of Wall Street, he vividly displays the glamour and power that can come with the fulfillment of that dream, but he also shows how it can turn into a nightmare of violence, corruption, and greed. This book is the first study of Scorsese's profound ambivalence toward the American Dream, the ways it drives some men and women to aspire to greatness, but leaves others seduced and abandoned. Showing that Scorsese understands the American dream in terms of a tension between provincialism and cosmopolitanism, Jim Cullen offers a new lens through which to view such seemingly atypical Scorsese films as The Age of Innocence, Hugo, and Kundun. Fast-paced, instructive, and resonant, Martin Scorsese and the American Dream illuminates an important dimension of our national life and how a

great artist has brought it into focus.

Washington, D.C. Colleen Sexton 2021-08-01 Washington, D.C. is the capital of the United States! This district is home to the U.S. government and many other landmarks that showcase the nation's history. In this title, readers will discover what makes the district unique, including its communities, wildlife, food, celebrations, and more. In addition to engaging text, chapters include features that showcase a famous face, the Native American population, and a notable sports team. Martin Luther King, Jr.: Civil Rights Leader Grace Hansen 2015-01-01 This beginner biography takes a look into the life of Martin Luther King, Jr. and his leadership in the Civil Rights Movement. Complete with full-bleed relevant and historical photographs, timeline, glossary, and index. Aligned to Common Core Standards and correlated to state standards. Abdo Kids is a division of ABDO.

Martin Luther King, Jr. Maria Isabel Sanchez Vegara 2020-02-04 From the critically acclaimed Little People, BIG DREAMS series, discover the life of Martin Luther King, Jr., the inspiring minister and civil rights activist. Little Martin grew up in a family of preachers: his dad was a preacher, his uncle was a preacher, his grandfather was a preacher...so maybe he'd become a great preacher too. One day, a friend invited him to play at his house. Martin was shocked when his mother wouldn't let him in because he was black. That day he realized there was something terribly unfair going on. Martin believed that no one should remain silent and accept something if it's wrong. And he promised himself that--when he grew up--he'd fight injustice with the most powerful weapon of all: words.

This moving book features stylish and quirky illustrations and extra facts at the back, including a biographical timeline with historical photos and a detailed profile of the inspiring activist's life. Little People, BIG DREAMS is a best-selling series of books and educational games that explore the lives of outstanding people, from designers and artists to scientists and activists. All of them achieved incredible things, yet each began life as a child with a dream. This empowering series offers inspiring messages to children of all ages, in a range of formats. The board books are told in simple sentences, perfect for reading aloud to babies and toddlers. The hardcover versions present expanded stories for beginning readers. Boxed gift sets allow you to collect a selection of the books by theme. Paper dolls, learning cards, matching games, and other fun learning tools provide even more ways to make the lives of these role models accessible to children. Inspire the next generation of outstanding people who will change the world with Little People, BIG DREAMS!

Martin Luther King, Jr.: A Life of Fairness Tonya Leslie 2013-08-01 Martin Luther King, Jr. dreamed about a day when people would not be judged by the color of their skin but by the content of their character. This book introduces young readers to a man who fully believed in fairness.

Martin Luther King, Jr., and the Theology of Resistance Rufus Burrow, Jr. 2014-11-24 It has been nearly fifty years since Martin Luther King, Jr., was assassinated at the Lorraine Motel in Memphis, Tennessee. Appraisals of King's contributions began almost immediately and continue to this day. The author explores a great many of King's chief ideas and socio-ethical practices: his concept of a moral universe, his doctrine of human dignity, his belief that not all suffering is redemptive, his brand of personalism, his contribution to the development of social ethics, the inclusion of young people in the movement, sexism as a contradiction to his personalism, the problem of black-on-black violence, and others. The book reveals both the strengths and the limitations in King's theological socio-ethical project, and shows him to have relentlessly applied personalist ideas to organized nonviolent resistance campaigns in order to change the world. Instructors considering this book for use in a course may request an examination copy here.

My Brother Martin Christine King Farris 2003 Looks at the early life of Martin Luther King, Jr., as seen through the eyes of his older sister.

Challenges to the Dream Jim Daniels 2017-10-17 Brave, honest writing about race and difference by young people trying to make sense of a world in which they encounter discrimination

Martin's Dream Day Kitty Kelley 2017-01-03 Recounts Martin Luther King Jr.'s iconic "I Have a Dream" speech during the March on Washington for Jobs and Freedom, describing the hardships and triumphs King encountered along his journey.

Martin Luther King, Jr. Maria Isabel Sanchez Vegara 2020-01-07 From the critically acclaimed Little People, BIG DREAMS series, discover the life of Martin Luther King, Jr., the inspiring minister and civil rights activist. Day Dreamers Emily Winfield Martin 2014-08-26 From the New York Times bestselling author of *The Wonderful Things You Will Be* comes this companion to *Dream Animals* -- a celebration of the imagination of children dreaming both day and night! Emily Winfield Martin shows readers that letting their imaginations run free will lead them into fantastical day dreams. Whether cloud-gazing or wandering through a museum, reading a book or playing in a tide-pool, the children in this picture book find themselves in places inhabited by magical creatures such as dragons, unicorns, griffins, and jackalopes. A whimsical rhyme accompanies the dream-worthy illustrations.

I Have a Dream Dr. Martin Luther King, Jr. 2012-10-09 From Dr. Martin Luther King, Jr.'s daughter, Dr. Bernice A. King: "My father's dream continues to live on from generation to generation, and this beautiful and powerful illustrated edition of his world-changing "I Have a Dream" speech brings his inspiring message of freedom, equality, and peace to the youngest among us—those who will one day carry his dream forward for everyone." On August 28, 1963, on the steps of the Lincoln Memorial during the March on Washington, Martin Luther King gave one of the most powerful and memorable speeches in our nation's history. His words, paired with Caldecott Honor winner Kadir Nelson's magnificent paintings, make for a picture book certain to be treasured by children and adults alike. The themes of equality and freedom for all are not only relevant today, 50 years later, but also provide young readers with an important introduction to our nation's past.

Celebrating Martin Luther King Jr. Day Joel Kupperstein 1999 Provides an introduction to the life and dreams of Martin Luther King, Jr.

King's Dream Eric J. Sundquist 2009-01-06 "Sundquist's careful, thoughtful study unearths new and fascinating evidence of the rhetorical traditions in King's speech."—Drew D. Hansen, author of *The Dream: Martin Luther King, Jr., and the Speech That Inspired a Nation* "I have a dream"—no words are more widely recognized, or more often repeated, than those called out from the steps of the Lincoln Memorial by Martin Luther King, Jr., in 1963. King's speech, elegantly structured and commanding in tone, has become shorthand not only for his own life but for the entire civil rights movement. In this new exploration of the "I Have a Dream" speech, Eric J. Sundquist places it in the history of American debates about racial justice—debates as old as the nation itself—and demonstrates how the speech, an exultant blend of grand poetry and powerful elocution, perfectly expressed the story of African American freedom. This book is the first to set King's speech within the cultural and rhetorical traditions on which the civil rights leader drew in crafting his oratory, as well as its essential historical contexts, from the early days of the republic through present-day Supreme Court rulings. At a time when the meaning of the speech has been obscured by its appropriation for every conceivable cause, Sundquist clarifies the transformative power of King's "Second Emancipation Proclamation" and its

continuing relevance for contemporary arguments about equality. "The ['I Have a Dream'] speech and all that surrounds it—background and consequences—are brought magnificently to life . . . In this book he gives us drama and emotion, a powerful sense of history combined with illuminating scholarship."—The New York Times Book Review (Editor's Choice)

The Big Book of Therapeutic Activity Ideas for Children and Teens Lindsey Joiner 2011-10-15 Drawing on art, music, stories, poetry and film, the author provides more than 100 fun and imaginative therapeutic activities and ideas to unleash the creativity of children and teenagers ages 5 and older, with the activities designed to teach social-skills development, anger-control strategies, conflict resolution and thinking skills. Original.

Capturing Camelot Kitty Kelley 2012-11-13 A bestselling author goes behind the lens of a legendary photographer to capture a magical time A consummate photojournalist, Stanley Tretick was sent by United Press International to follow the Kennedy campaign of 1960. The photographer soon befriended the candidate and took many of JFK's best pictures during this time. When Kennedy took office, Tretick was given extensive access to the White House, and the picture magazine Look hired him to cover the president and his family. Tretick is best known today for the photographs he took of President Kennedy relaxing with his children. His photographs helped define the American family of the early sixties and lent Kennedy an endearing credibility that greatly contributed to his popularity. Accompanied by an insightful, heartwarming essay from Kitty Kelley—Tretick's close friend—about the relationship between the photographer and JFK, Capturing Camelot includes some of the most memorable images of America's Camelot and brings to life the uniquely hopeful historical era from which it emerged.

The Dream Drew Hansen 2009-10-13 On August 28, 1963, Martin Luther King, Jr., electrified the nation when he delivered his "I Have a Dream" speech from the steps of the Lincoln Memorial. In The Dream, Drew D. Hansen explores the fascinating and little-known history of King's legendary address. The Dream insightfully considers how King's speech "has slowly remade the American imagination," and led us closer to King's visionary goal of a redeemed America.
