The Days of Afrekete Asali Solomon 2022-10-18 From the award-winning author Asali Solomon, *The Days of Afrekete* is a tender, surprising novel of two women at midlife who rediscover themselves—and perhaps each other—inspired by Mrs. Dalloway, Sula, and Audre Lorde’s *Zami*. “I didn’t feel like I was reading this novel—I felt like I was living it.” —Ann Patchett, author of *The Dutch House*

Liselle Belmont is having a dinner party. It seems a strange occasion—her husband, Winn, has lost his bid for the state legislature—but what better way to thank key supporters than a feast? Liselle was never sure about her husband becoming a politician, never sure about the limelight, never sure about the life of fundraising and stump speeches. Then an FBI agent calls to warn her that Winn might be facing corruption charges. An avalanche of questions tumbles around her: Is it possible he’s guilty? Who are they to each other; who have they become? How much of herself has she lost—and was it worth it? And just this minute, how will she make it through this dinner party? Across town, Selena Octave is making her way through the same day, the same way she always does—one foot in front of the other, keeping quiet and focused, trying not to see the terrors all around her. Homelessness, starving children, the very living horrors of history that made America possible: these and other thoughts have made it difficult for her to live an easy life. The only time she was ever really happy was with Liselle, back in college. But they’ve lost touch, so much so that when they ran into each other at a drugstore just after Obama was elected president, they barely spoke. But as the day wears on, memories of Liselle begin to shift Selena’s path. *The Days of Afrekete* is a deft, expertly layered, naturally funny, and deeply human examination of two women coming back to themselves at midlife. It is a watchful celebration of our choices and where they take us, the people who change us, and how we can reimagine ourselves even when our lives seem set.

CliffsNotes on Douglass' Narrative of the Life of Frederick Douglass John Chua 1996-02-05 The original

CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. Narrative of the Life of Frederick Douglass Frederick Douglass 2016-08-15 "Using the 1845 first edition of the text, Narrative of the Life of Frederick Douglass, an American Slave, Written by Himself, is the memoir of orator and abolitionist, Frederick Douglass. This narrative follows Douglass from his enslaved youth through his escape to freedom. The text comes paired with explanatory footnotes, headnotes, and an introduction by the editors. "Contexts" includes background and source materials written by Frederick Douglass and his contemporary peers, such as Elizabeth Cady Stanton and James Monroe Gregory. "Criticism" includes six varied selections by William L. Andrews, Robert D. Richardson, Houston A. Baker, Deborah McDowell, Jannine DeLombard, and Henry Louis Gates, Jr., that examine the influence of the narrative in literary and cultural spheres. A Chronology and a revised Selected Bibliography are also included." -- Provided by publisher.

Narrative of the Life of Frederick Douglass Frederick Douglass 2021-05-24 Frederick Douglass was born in slavery as Frederick Augustus Washington Bailey near Easton in Talbot County, Maryland. He was not sure of the exact year of his birth, but he knew that it was 1817 or 1818. As a young boy he was sent to Baltimore, to be a house servant, where he learned to read and write, with the assistance of his master's

wife. In 1838 he escaped from slavery and went to New York City, where he married Anna Murray, a free colored woman whom he had met in Baltimore. Soon thereafter he changed his name to Frederick Douglass. In 1841 he addressed a convention of the Massachusetts Anti-Slavery Society in Nantucket and so greatly impressed the group that they immediately employed him as an agent. He was such an impressive orator that numerous persons doubted if he had ever been a slave, so he wrote *Narrative Of The Life Of Frederick Douglass*. During the Civil War he assisted in the recruiting of colored men for the 54th and 55th Massachusetts Regiments and consistently argued for the emancipation of slaves. After the war he was active in securing and protecting the rights of the freemen. In his later years, at different times, he was secretary of the Santo Domingo Commission, marshal and recorder of deeds of the District of Columbia, and United States Minister to Haiti. His other autobiographical works are *My Bondage And My Freedom* and *Life And Times Of Frederick Douglass*, published in 1855 and 1881 respectively. He died in 1895. TABLE OF CONTENTS Preface Letter from Wendell Phillips Frederick Douglass Chapter 1 Chapter 2 Chapter 3 Chapter 4 Chapter 5 Chapter 6 Chapter 7 Chapter 8 Chapter 9 Chapter 10 Chapter 11 Appendix A Parody

The Cambridge Companion to Frederick Douglass Maurice S. Lee 2009-06-11 An engaging and informative overview of the life and works of Frederick Douglass.

Narrative of the Life of Frederick Douglass Frederick Douglass 2004-11 An autobiographical account by the runaway slave Frederick Douglass that chronicles his experiences with his owners and overseers, and discusses how slavery affected both slaves and slaveholders.

The Life of Frederick Douglass Frederick Douglass 2020-09-23 Frederick Douglass's dramatic autobiographical account of his early life as a slave in America. Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he

suffered. Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. With an Introduction by Peter J. Gomes and an Afterword by Gregory Stephens

Harriet Tubman Ann Petry 2015-09-08 A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an “underground railroad” that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she’d left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this “well-written and moving life of the ‘Moses of her people’” (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, *Harriet Tubman: Conductor on the Underground Railroad* was also selected as an American Library Association Notable Book.

Flight to Canada Ishmael Reed 2018-07-05 Deep in the American South, 'land of the hunted and the haunted,' three young slaves have broken free. But they have their former master hot on their heels, and they must outrun, outwit, or outgun him and his personal 'CIA' if they are to secure their freedom--all while dodging the bullets of the Civil War raging on around them. When the three men part ways, the adventure begins: the first buys up a huge number of arms in readiness for a final showdown; the second

sells his body for pornographic flicks; while the third, Raven Quickskill, hero, poet, heartbreaker, swigs champagne on a non-stop jumbo jet to Canada. Flight to Canada is fun, pacey, adventurous, and touched by Reed's taste for the absurd. Reed takes us on a wild ride through a nineteenth-century Virginia that looks a lot like the West today, littered with everything from Xerox copiers to jumbo jets, and casts an unsettling sideways look at history, race and the American media.

Narrative of the Life of Frederick Douglass, an American Slave & Incidents in the Life of a Slave Girl

Frederick Douglass 2011-07-06 Introduction by Kwame Anthony Appiah Commentary by Jean Fagan Yellin and Margaret Fuller This Modern Library edition combines two of the most important African American slave narratives—crucial works that each illuminate and inform the other. Frederick Douglass's Narrative, first published in 1845, is an enlightening and incendiary text. Born into slavery, Douglass became the preeminent spokesman for his people during his life; his narrative is an unparalleled account of the dehumanizing effects of slavery and Douglass's own triumph over it. Like Douglass, Harriet Jacobs was born into slavery, and in 1861 she published Incidents in the Life of a Slave Girl, now recognized as the most comprehensive antebellum slave narrative written by a woman. Jacobs's account broke the silence on the exploitation of African American female slaves, and it remains essential reading. Includes a Modern Library Reading Group Guide

The Complete Life Narratives of Frederick Douglass Frederick Douglass 2022-11-13 "Narrative of the Life of Frederick Douglass, an American Slave, written by Himself" (1845) is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. "My Bondage and My Freedom" (1855) shows the inspiring manner in which Frederick Douglass transforms himself from slave to fugitive to one of the most powerful voices to emerge from the American civil rights movement, leaving behind a legacy of social, intellectual, and political thought. Thirty Years a Slave Louis Hughes 2021-01-01 "Thirty Years a Slave" by Louis Hughes. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-

known classics & literary fiction and non-fiction to forgotten?or yet undiscovered gems?of world literature, we issue the books that need to be read.

The Slaves Frederick Douglass 2016-12-16 "The Slaves" is nothing but Frederick Douglass's groundbreaking autobiography and his first book "Narrative of the Life of Frederick Douglass, An American Slave, written by Himself". We have renamed the title here as "The Slaves" to keep the title

short as well as to establish that Frederick Douglass is no longer a name of a particular slave born in nineteenth-century America, but a name that represents slaves of the entire world and of all time. Even though, we do not wish anyone to be born into slavery anymore like Frederick was, we have taken him as a symbol of all the slaves as a wish that all who are still in slavery may have the spirit of Frederick Douglass and fight their ways to the freedom and work to free other slaves to make the slavery history. The life of Frederick, in one way or another, is the lives of all other slaves. Hence, we have named this version of his book "The Slaves".

The Fugitive Blacksmith; Or, Events in the History of James W.C. Pennington James W. C. Pennington 1819

In the Words of Frederick Douglass Frederick Douglass 2013-10-15 "No people are more talked about and no people seem more imperfectly understood. Those who see us every day seem not to know us."—Frederick Douglass on African Americans "There is no negro problem. The problem is whether the American people have loyalty enough, honor enough, patriotism enough, to live up to their own constitution."—on civil rights "Woman should have justice as well as praise, and if she is to dispense with either, she can better afford to part with the latter than the former."—on women "The thing worse than rebellion is the thing that causes rebellion."—on rebellion "A man is never lost while he still earnestly thinks himself worth saving; and as with a man, so with a nation."—on perseverance "I am ever pleased to see a man rise from among the people. Every such man is prophetic of the good time coming."—on Lincoln Frederick Douglass, a runaway Maryland slave, was witness to and participant in some of the most important events in the history of the American Republic between the years of 1818 and 1895. Beginning his long public career in 1841 as an agent of the Massachusetts Anti-Slavery Society, Douglass subsequently edited four newspapers and championed many reform movements. An advocate of morality, economic accumulation, self-help, and equality, Douglass supported racial pride, constant agitation against racial discrimination, vocational education for blacks, and nonviolent passive resistance.

He was the only man who played a prominent role at the 1848 meeting in Seneca Falls that formally launched the women's rights movement. He was a temperance advocate and opposed capital punishment, lynching, debt peonage, and the convict lease system. A staunch defender of the Liberty and Republican parties, Douglass held several political appointments, frequently corresponded with leading politicians, and advised Presidents Lincoln, Grant, Hayes, Garfield, and Harrison. He met with John Brown before his abortive raid on Harpers Ferry, helped to recruit African American troops during the Civil War, attended most national black conventions held between 1840 and 1895, and served as U.S. ambassador to Haiti. Frederick Douglass has left one of the most extensive bodies of significant and quotable public statements of any figure in American history. In the Words of Frederick Douglass is a rich trove of quotations from Douglass. The editors have compiled nearly seven hundred quotations by Douglass that demonstrate the breadth and strength of his intellect as well as the eloquence with which he expressed his political and ethical principles.

My First Thirty Years Gertrude Beasley 2021-09-28 "Thirty years ago, I lay in the womb of a woman, conceived in a sexual act of rape, being carried during the prenatal period by an unwilling and rebellious mother, finally bursting from the womb only to be tormented in a family whose members I despised or pitied, and brought into association with people whom I should never have chosen." Shortly after its 1925 publication, Gertrude Beasley's ferociously eloquent feminist memoir was banned and she herself disappeared under mysterious circumstances. Though British Nobel Prize winner Bertrand Russell called My First Thirty Years "truthful, which is illegal" and Larry McMurtry pronounced it the finest Texas book of its era, Beasley's words have been all but inaccessible for almost a century—until now. Beasley penned one of the most brutally honest coming-of-age historical memoirs ever written, one which strips away romantic notions about frontier women's lives at the turn of the 20th century. Her mother and sisters braved male objectification and the indignities of poverty, with little if any control over their futures. With characteristic ferocity, Beasley rejected a life of dependence, persisting in her studies and becoming first

a teacher, then a principal, then a college instructor, and finally a foreign correspondent. Along the way, Beasley becomes a strident activist for women's rights, socialism, and sex education, which she sees as key to restoring bodily autonomy to women like those she grew up with. She is undaunted by authority figures but secretly ashamed of her origins and yearns to be loved. *My First Thirty Years* is profoundly human and shockingly candid, a rallying cry that cost its author her career and her freedom. Her story deserves to be heard. Praise for *My First Thirty Years*: "For almost a century in Texas literary circles, Gertrude Beasley's 1925 memoir has been more a legend than a book... The tangled history of *My First Thirty Years*, and Beasley's horrific personal fate, are case studies in society's merciless treatment of women of her era who gave voice to socially unspeakable truths. The memoir's republication this month, which makes it widely available for the first time in 96 years, is a long-overdue moment of reckoning. It's also a rich gift to the Texas literary canon."—Texas Monthly "We should all be as fierce, loud, and convinced of our own self-worth as Gertrude Beasley was. This story of a justifiably angry woman living ahead of the world she lived in will resonate deeply today."—Soraya Chemaly, activist and award-winning author of *Rage Becomes Her: The Power of Women's Anger* "Gertrude Beasley's 1925 memoir grabs the reader by the arm and holds tight, speaking with a voice as compelling as if she had just put down her pen this morning. Feminist, socialist, and acute observer of both herself and the world around her, Beasley gives us stories that illuminate the costs of poverty and of being a woman. To read *My First Thirty Years* is to be in conversation with an extraordinary mind."—Anne Gardiner Perkins, author of *Yale Needs Women*

Narrative of the Life of Frederick Douglass, an American Slave Frederick Douglass 2019-06-12 Narrative of the Life of Frederick Douglass is an 1845 memoir and treatise on abolition written by famous orator and former slave Frederick Douglass during his time in Lynn, Massachusetts. It is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of

literature to fuel the abolitionist movement of the early 19th century in the United States. Narrative of the Life of Frederick Douglass encompasses eleven chapters that recount Douglass's life as a slave and his ambition to become a free man.

Narrative of the Life of Frederick Douglass Frederick Douglass 2004 This Prestwick House Literary Touchstone Edition includes a glossary and reader's notes to help the modern reader contend with Douglass' nineteenth-century style and vocabulary. Born into a family of slaves, Frederick Douglass educated himself through sheer determination. His unconquered will to triumph over his circumstances makes his one of America's best and most unlikely success stories. Douglass' own account of his journey from slave to one of America's great statesmen, writers, and orators is as fascinating as it is inspiring.

The Genetic Strand Edward Ball 2007-11-06 The Genetic Strand is the story of a writer's investigation, using DNA science, into the tale of his family's origins. National Book Award winner Edward Ball has turned his probing gaze on the microcosm of the human genome, and not just any human genome -- that of his slave-holding ancestors. What is the legacy of such a family history, and can DNA say something about it? In 2000, after a decade in New York City, Ball bought a house in Charleston, South Carolina, home to his father's family for generations, and furnished it with heirloom pieces from his relatives. In one old desk he was startled to discover a secret drawer, sealed perhaps since the Civil War, in which someone had hidden a trove of family hair, with each lock of hair labeled and dated. The strange find propelled him to investigate: what might DNA science reveal about the people -- Ball's family members, long dead -- to whom the hair had belonged? Did the hair come from white relatives, as family tradition insisted? How can genetic tests explain personal identity? Part crime-scene investigation, part genealogical romp, The Genetic Strand is a personal odyssey into DNA and family history. The story takes the reader into forensics labs where technicians screen remains, using genetics breakthroughs like DNA fingerprinting, and into rooms where fathers nervously await paternity test results. It also summons

the writer's entertaining and idiosyncratic family, such as Ball's antebellum predecessor, Aunt Betsy, who published nutty books on good Southern society; Kate Fuller, the enigmatic ancestor who may have introduced African genes into the Ball family pool; and the author's first cousin Catherine, very much alive, who donates a cheek swab from a mouth more attuned to sweet iced tea than DNA sampling. Writing gracefully but pacing his story like an old-fashioned whodunit, Edward Ball tracks genes shared across generations, adding suspense and personal meaning to what the scientists and Nobel laureates tell us. A beguiling DNA tale, *The Genetic Strand* reaches toward a new form of writing the genetic memoir.

Frederick Douglass David W. Blight 2020-01-07 \*\*Winner of the Pulitzer Prize in History\*\*

"Extraordinary...a great American biography" (The New Yorker) of the most important African-American of the nineteenth century: Frederick Douglass, the escaped slave who became the greatest orator of his day and one of the leading abolitionists and writers of the era. As a young man Frederick Douglass (1818–1895) escaped from slavery in Baltimore, Maryland. He was fortunate to have been taught to read by his slave owner mistress, and he would go on to become one of the major literary figures of his time. His very existence gave the lie to slave owners: with dignity and great intelligence he bore witness to the brutality of slavery. Initially mentored by William Lloyd Garrison, Douglass spoke widely, using his own story to condemn slavery. By the Civil War, Douglass had become the most famed and widely travelled orator in the nation. In his unique and eloquent voice, written and spoken, Douglass was a fierce critic of the United States as well as a radical patriot. After the war he sometimes argued politically with younger African Americans, but he never forsook either the Republican party or the cause of black civil and political rights. In this "cinematic and deeply engaging" (The New York Times Book Review) biography, David Blight has drawn on new information held in a private collection that few other historians have consulted, as well as recently discovered issues of Douglass's newspapers. "Absorbing and even moving...a brilliant book that speaks to our own time as well as Douglass's" (The Wall Street Journal),

Blight's biography tells the fascinating story of Douglass's two marriages and his complex extended family. "David Blight has written the definitive biography of Frederick Douglass...a powerful portrait of one of the most important American voices of the nineteenth century" (The Boston Globe). In addition to the Pulitzer Prize, Frederick Douglass won the Bancroft, Parkman, Los Angeles Times (biography), Lincoln, Plutarch, and Christopher awards and was named one of the Best Books of 2018 by The New York Times Book Review, The Wall Street Journal, The Boston Globe, The Chicago Tribune, The San Francisco Chronicle, and Time.

Narrative of the Life of Frederick Douglass, An American Slave Frederick Douglass 2013-02-18 Narrative of the Life of Frederick Douglass is one of the most influential autobiographies ever written. This classic did as much as or more than any other book to motivate the abolitionist to continue to fight for freedom in America. Frederick Douglass was born a slave, he escaped a brutal system, and through sheer force of will, educated himself and became an abolitionist, editor, orator, author, statesman, and reformer. This is one of the most unlikely and powerful success stories ever written.

From Slavery to Freedom: Narrative Of The Life, Incidents in the Life of a Slave Girl, Up From Slavery, The Souls of Black Folk. Illustrated Frederick Douglass 2021-01-08 African American history is the part of American history that looks at the past of African Americans or Black Americans. Of the 10.7 million Africans who were brought to the Americas until the 1860s, 450 thousand were shipped to what is now the United States. Most African Americans are descended from Africans who were brought directly from Africa to America and became slaves. The future slaves were originally captured in African wars or raids and transported in the Atlantic slave trade. Our collection includes the following works: Narrative Of The Life by Frederick Douglass. The impassioned abolitionist and eloquent orator provides graphic descriptions of his childhood and horrifying experiences as a slave as well as a harrowing record of his dramatic escape to the North and eventual freedom. Incidents In The Life Of A Slave Girl by Harriet Jacobs. Powerful by portrayal of the brutality of slave life through the inspiring tale of one woman's

dauntless spirit and faith. Up From Slavery by Booker T. Washington. Washington rose to become the most influential spokesman for African Americans of his day. He describes events in a remarkable life that began in slavery and culminated in worldwide recognition. The Souls of Black Folk by W. E. B. Du Bois. W. E. B. Du Bois was an American sociologist, socialist, historian, civil rights activist, Pan-Africanist, author, writer and editor. Contents: 1. Frederick Douglass: Narrative Of The Life 2. Harriet Ann Jacobs: Incidents in the Life of a Slave Girl 3. Booker Taliaferro Washington: Up From Slavery 4. W. E. B. Du Bois: The Souls of Black Folk

Narrative of the Life of Frederick Douglass Frederick Douglass 2005-06-07 Frederick Douglass's dramatic autobiographical account of his early life as a slave in America. Born into a life of bondage, Frederick Douglass secretly taught himself to read and write. It was a crime punishable by death, but it resulted in one of the most eloquent indictments of slavery ever recorded. His gripping narrative takes us into the fields, cabins, and manors of pre-Civil War plantations in the South and reveals the daily terrors he suffered. Written more than a century and a half ago by a Black man who went on to become a famous orator, U.S. minister to Haiti, and leader of his people, this timeless classic still speaks directly to our age. It is a record of savagery and inhumanity that goes far to explain why America still suffers from the great injustices of the past. With an Introduction by Peter J. Gomes and an Afterword by Gregory Stephens

Narrative of the Life of Frederick Douglass - An American Slave Frederick Douglass 2020-07-31 First published in 1845, "Narrative of the Life of Frederick Douglass - An American Slave" is an 1845 autobiographical treatise on abolition by Frederick Douglass (1818–1895), an American escaped slave who became a prominent activist, author, and public speaker. A leading figure in the abolitionist movement, he fought for the end of slavery until the 1862 Emancipation Proclamation and continued to vehemently fight for human rights until his death. One of the most well-known slave narratives written in the period, it describes in detail his experiences of life as a slave and was one of the most influential

works of literature in the abolitionist movement in the United States. A moving insight into the life of a slave not to be missed by those with an interest in American history. Read & Co. History is proudly republishing this classic treatise now in a new addition complete with an introductory Chapter by William H. Croghan.

Narrative of the Life of Frederick Douglass, an American Slave Prescott Hill 1999 The Savvas Learning Company Library Collection offers you over 1200 fiction, nonfiction, classic, adapted classic, illustrated classic, short stories, biographies, special anthologies, atlases, visual dictionaries, history trade, animal, sports titles and more!

Masculinities in Black and White J. Armengol 2014-12-17 Inverting the traditional focus of ethnic studies on blackness as the object of scrutiny, this book explores dominant forms of white masculinity as seen by African American authors placed alongside certain white writers. Author analyzes texts by Herman Melville, Ernest Hemingway, Martha Gellhorn, Frederick Douglass, and James Baldwin.

Frederick Douglass: All 3 Memoirs in One Volume Frederick Douglass 2018-03-21 This ebook collection has been designed and formatted to the highest digital standards and adjusted for readability on all devices. "Narrative of the Life of Frederick Douglass" is generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text recounts Douglass's life as a slave and his ambition to become a free man and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. My Bondage and My Freedom is the second of three autobiographies written by Douglass, and is mainly an expansion of his first (Narrative of the Life of Frederick Douglass), discussing in greater detail his transition from bondage to liberty. Life and Times of Frederick Douglass is Frederick Douglass' third autobiography in which he gave more details about his life as a slave and his escape from slavery in this volume than he could in his two previous autobiographies. Frederick Douglass (1818 –1895) was an African-American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery

in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, gaining note for his dazzling oratory and incisive antislavery writings.

**Life and Times of Frederick Douglass** Frederick Douglass 1882 Frederick Douglass recounts early years of abuse, his dramatic escape to the North and eventual freedom, abolitionist campaigns, and his crusade for full civil rights for former slaves. It is also the only of Douglass's autobiographies to discuss his life during and after the Civil War, including his encounters with American presidents such as Lincoln, Grant, and Garfield.

**Frederick Douglass, An American Slave: 3 Autobiographical Books in in One Volume** Frederick Douglass 2018-02-05 "Narrative of the Life of Frederick Douglass" is s generally held to be the most famous of a number of narratives written by former slaves during the same period. In factual detail, the text describes the events of his life and is considered to be one of the most influential pieces of literature to fuel the abolitionist movement of the early 19th century in the United States. **My Bondage and My Freedom** is the second of three autobiographies written by Douglass, and is mainly an expansion of his first (**Narrative of the Life of Frederick Douglass**), discussing in greater detail his transition from bondage to liberty. **Life and Times of Frederick Douglass** is Frederick Douglass' third autobiography in which he gave more details about his life as a slave and his escape from slavery in this volume than he could in his two previous autobiographies. Frederick Douglass (1818 –1895) was an African-American social reformer, abolitionist, orator, writer, and statesman. After escaping from slavery in Maryland, he became a national leader of the abolitionist movement in Massachusetts and New York, gaining note for his dazzling oratory and incisive antislavery writings.

**Narrative of the Life of Frederick Douglas** Frederick Douglass 2004 The story of Frederick Douglass is passionate, harrowing, and inspiring. As a former slave, impassioned abolitionist, gifted writer, newspaper editor, and powerful orator, Douglass was an immense, motivational figure. His early life, filled with physical abuse, deprivation, and tragedy, adds up to a heart-wrenching history. However, he

was able to overcome everything that bound a slave to his life and become a leading spokesman for his people. In this first of his three autobiographies, Douglass relates graphic descriptions of his childhood, his shocking experiences as a slave, and his thrilling escape from slavery to safety in the North and his pivotal freedom. Originally published in 1845, a date significant for the fact that very few African Americans could read or write at that time, this tale of sadness, danger, and eventual liberation will appeal to readers of all kinds. For those interested in African American history and the life of one of the most daring and heroic champions of civil rights, this page-turner is a perfect library addition.

Frederick Douglass: Autobiographies (LOA #68) Frederick Douglass 1994-02-01 Henry Louis Gates, Jr. presents the only authoritative edition of all three autobiographies by the escaped slave who became a great American leader. Here in this Library of America volume are collected Frederick Douglass's three autobiographical narratives, now recognized as classics of both American history and American literature. Writing with the eloquence and fierce intelligence that made him a brilliantly effective spokesman for the abolition of slavery and equal rights, Douglass shapes an inspiring vision of self-realization in the face of monumental odds. *Narrative of the Life of Frederick Douglass, an American Slave* (1845), published seven years after his escape, was written in part as a response to skeptics who refused to believe that so articulate an orator could ever have been a slave. A powerfully compressed account of the cruelty and oppression of the Maryland plantation culture into which Douglass was born, it brought him to the forefront of the anti-slavery movement and drew thousands, black and white, to the cause. In *My Bondage and My Freedom* (1855), Douglass expands the account of his slave years. With astonishing psychological penetration, he probes the painful ambiguities and subtly corrosive effects of black-white relations under slavery, and recounts his determined resistance to segregation in the North. The book also incorporates extracts from Douglass's speeches, including the searing "What to the Slave Is the Fourth of July?" *Life and Times*, first published in 1881, records Douglass's efforts to keep alive the struggle for racial equality during Reconstruction. John Brown, Abraham Lincoln, William Lloyd Garrison,

and Harriet Beecher Stowe all feature prominently in this chronicle of a crucial epoch in American history. The revised edition of 1893, presented here, includes an account of his controversial diplomatic mission to Haiti. This volume contains a detailed chronology of Douglass's life, notes providing further background on the events and people mentioned, and an account of the textual history of each of the autobiographies. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Frederick Douglass Philip S. Foner 2000-04-01 One of the greatest African American leaders and one of the most brilliant minds of his time, Frederick Douglass spoke and wrote with unsurpassed eloquence on almost all the major issues confronting the American people during his life—from the abolition of slavery to women's rights, from the Civil War to lynching, from American patriotism to black nationalism. Between 1950 and 1975, Philip S. Foner collected the most important of Douglass's hundreds of speeches, letters, articles, and editorials into an impressive five-volume set, now long out of print. Abridged and condensed into one volume, and supplemented with several important texts that Foner did not include, this compendium presents the most significant, insightful, and elegant short works of Douglass's massive oeuvre.

Feminism in Slave Narratives Franziska Scholz 2009-11-23 Seminar paper from the year 2006 in the subject English - Literature, Works, grade: 1,7, University of Cologne (Englisches Seminar), course: African American Literature, language: English, abstract: The content of this paper deals with the experiences of American slaves out of a male and a female perspective to outline the relevance of feminism in anti-slavery literature. The first chapter gives an insight into the characteristics of slave narratives such as style, structure, themes and aims. Slave narratives are a product of abolitionism, but

the aim of this paper is to show feministic influences as well, as the second chapter illustrates. By comparing the Narrative of the Life of Frederick Douglass an American Slave, written by himself with Harriet Jacobs' Incidents in the Life of a Slave Girl I want to show that the motifs for escape out of slavery are connected to very different factors for a slave woman compared to those of a slave man. Both Douglass and Jacobs suffer from the prevailing system of slavery, but Jacobs' female point-of-view adds the suffrage from patriarchy as well. Finally I am going to follow the question why Douglass' narrative gained more success in the 19th century than Jacobs' narrative, although both stories deal with antislavery, oppression and the struggle for freedom.

My Escape from Slavery Frederick Douglass 2017-10-24 Frederick Douglass was born a slave in Maryland around February 1818. He escaped in 1838, but in each of the three accounts he wrote of his life he did not give any details of how he gained his freedom lest slaveholders use the information to prevent other slaves from escaping, and to prevent those who had helped him from being punished.

No Compromise with Slavery William Lloyd Garrison 2017-04-19 No Compromise with Slavery By William Lloyd Garrison

The Cambridge Companion to the African American Slave Narrative Audrey Fisch 2007-05-31 The slave narrative has become a crucial genre within African American literary studies and an invaluable record of the experience and history of slavery in the United States. This Companion examines the slave narrative's relation to British and American abolitionism, Anglo-American literary traditions such as autobiography and sentimental literature, and the larger African American literary tradition. Special attention is paid to leading exponents of the genre such as Olaudah Equiano, Frederick Douglass and Harriet Jacobs, as well as many other, less well known examples. Further essays explore the rediscovery of the slave narrative and its subsequent critical reception, as well as the uses to which the genre is put by modern authors such as Toni Morrison. With its chronology and guide to further reading, the Companion provides both an easy entry point for students new to the subject and comprehensive

coverage and original insights for scholars in the field.
