Mackey Sanders and Outbreak Monkey is the last coming of Rock'n'Roll Jesus, but Cheever Sanders can't wait to get out of his home town and make a name for himself where nobody expects him to fill his famous brothers' shoes. He's tired of living in their shadow. Blake Manning knows the feeling. He's been Outbreak Monkey's second lead guitarist for 10 years. He's come to terms with the fact that he'll never be Grant Adams, the guy he replaced, and that Kell Sanders will never love him like Mackey loved Grant. He got this gig on luck and love, not talent. So watching Cheever blow through Outbreak Monkey's hard-earned money in an epic stretch of partying pisses him off. Blake shows up at Cheever's nonstop orgy to enforce some rules, but instead of a jaded punk, he finds a lost boy as talented at painting as Mackey is at song-making, and terrified to let anybody see the real him. It's something he and Blake have in common. Both men have to make peace with being second banana in the public eye. Can they find the magic of coming absolute first with each other?

How to See Color and Paint It Arthur Stern Learn to see and mix any color with extraordinary precision! Many painters don't paint what they see, but what they expect to see, what they think they see, what they remember, or what they imagine things are supposed to look like. Since "the mind stands in the way of the eye," the purpose of this revolutionary book is to train

you to paint what your eye actually sees. Arthur Stern claims that color is key to painting what you see. After working with three generations of students, he developed a program of 22 painting projects that teach the artist to observe, identify, mix, match, and paint the colors of the world with remarkable accuracy. Using a painting knife and oil paint, you learn to analyze every painting subject as a series of distinct color areas—called color spots—and place each spot on the canvas as a unique and vivid mixture. The fundamental lesson of the book is that if you put the right color spot in the right place, you create a realistic image of form, space, surface texture, atmosphere, light, and shade. As you follow the painting projects in this book, you'll make the dramatic discovery that everything in nature is filled with luminous color. You'll learn to see glowing color in the "blackest" shadow and the "whitest" linen. You'll learn when a green can appear red; how to use paint to replicate metal, glass, wood, paper, porcelain, and other opaque, transparent, or textured surfaces. Before long, you'll be seeing a multitude of colors in a slice of bread, apples and oranges, and a mass of green leaves. You'll learn how to paint quickly enough to capture a "live" still life—a flower that moves and slowly dies as you paint it. You'll even practice with a setup outdoors to see how sunlight and skylight affect color. How to See Color and Paint It is a must for beginners and a valuable asset for intermediate artists who want to

develop a more subtle perception of color. A final section contains beautiful paintings of many subjects that have grown out of projects and ideas taught in this book. 130 color plates; 40 black & white illustrations

Paint it White Gary Edwards 2011-11-25 In his dedication to Leeds United, Gary Edwards has no rivals. He has seen every Leeds game since 17 January 1968, home and away. League, Cup and Europe. And pre-season friendlies.* Hell, he even watches the reserves in his spare time. Following Leeds, he's been there, done that and designed the T-shirt. Although a painter and decorator-cum-signwriter-cum-cartoonist, he's never taken a break from his life as a full-time football fan. He's made a name for himself covering over red paint with white for free. He's visited every country in Europe and flown all over the rest of the world to watch Leeds play. If Leeds organised a five-a-side on the moon, he'd be on the first shuttle flight there. Travelling the world to watch hundreds of players run around acres of grass, he's also found time to drink gallons of ale, see oceans of flesh and protect hundreds of animals. He's saved lobsters in Barcelona, clay pigeons in Worksop, frogs

in Kuala Lumpur and worms - yes, worms - in Yorkshire. He's been shot at in Greece, run over in Denmark, frightened the king in Sweden and had a beer with an elephant in Bangkok. All this and still found the time to never miss a match or another chance to rid the world of the evil that is red in all its forms. Behind him are almost four decades of Leeds, lunacy, laughter and white paint.

Of Mouse and Man Jim'll Paint It 2019-10-17 'Ask me to paint anything you wish and I will try no matter how specific or surreal your demands. You name it. I'll paint it. On Paint.' Jim has painted some truly unhinged requests – from 'Kanye West giving birth to himself' and 'Ross Kemp on toast' to 'A swan wearing Björk as a dress' and 'Bill Oddie beating Hitler at Catchphrase' – each brought to life with painstaking detail using nothing but an archaic version of Microsoft Paint and an optical mouse. Many have since become beloved icons of British internet culture, such as 'The chestbuster scene from Alien portrayed by famous TV puppets' and the infamous 'Tory Squat Party'. Of Mouse and Man is the very best of Jim's first five years of work alongside never-before-seen material and

unique insights into his creative process.

Paint it Today Hilda Doolittle 1992-07 This novel, a never before published Roman a clef by the famous imagist writer, H.D. (Hilda Doolittle), that explores H.D.'s love for women, is a lyrical recreation of the love and loss of her friend and first love, Frances Gregg, and of her later meeting with Bryher who was to become H.D.'s lifelong companion. Spanning the years from H.D.'s childhood in Pennsylvania to the birth of her daughter, Perdita, in 1919, this turbulent love story is set against the backdrop of World War I, H.D.'s involvement in early 20th century London literary circles, her brief engagement to American poet, Ezra Pound, and her shattered marriage to British novelist Richard Aldington. Paint it Today is H.D.'s most lesbian novel, a modern, homoerotic tale of passage which focuses almost entirely on the young heroine's search for the sister love which would empower her spiritually, creatively, and sexually. Cassandra Laity's introduction places H.D.'s love for the sexually magnetic, betraying Gregg and for the more nurturing and loyal Bryher in the context of the lesbian romanticism of early modern fiction. her annotations of all Greek references and literary quotations, as well as, biographical facts represented in the text, provide

nuanance and detail to this engrossing work.

Farts are a fascinating phenomenon on many levels. A fart can be funny, repulsive, embarrassing, rude, or even dastardly (in the case of a silent one). Farts can also provoke a variety of reactions. Some will laugh, some will be indignant, and other people will simply stop coming around. But the undeniable truth about farting is that everybody does it. Yes, even women.

Paint It Black Janet Fitch 2007-10-03 "A dark, crooked beauty that fulfills all the promise of *White Oleander* and confirms that Janet Fitch is an artist of the very highest order."--Los Angeles Times Book Review Josie Tyrell, art model, runaway, and denizen of LA's rock

scene finds a chance at real love with Michael Faraday, a Harvard dropout and son of a renowned pianist. But when she receives a call from the coroner, asking her to identify her lover's body, her bright dreams all turn to black. As Josie struggles to understand Michael's death and to hold onto the world they shared, she is both attracted to and repelled by his pianist mother, Meredith, who blames Josie for her son's torment. Soon the two women are drawn into a twisted relationship that reflects equal parts distrust and blind need. With the luxurious prose and fever pitch intensity that are her hallmarks, Janet Fitch weaves a spellbinding tale of love, betrayal, and the possibility of transcendence. "Lushly written, dramatically plotted. . . Fitch's Los Angeles is so real it breathes." -Atlantic Monthly "There is nothing less than a stellar sentence in this novel. Fitch's emotional honesty recalls the work of Joyce Carol Oates, her strychnine sentences the prose of Paula Fox." -Cleveland Plain Dealer "A page-turning psychodrama. . . . Fitch's prose penetrates the inner lives of [her characters] with immediacy and bite." -Publishers Weekly (starred review) "Fitch wonderfully captures the abrasive appeal of punk music, the bohemian, sometimes squalid lifestyle, the performers, the drugs, the alienation. This is crackling fresh stuff you don't read every day." -USA Today "In dysfunctional family narratives, Fitch is to fiction what Eugene O'Neill is to drama." -Chicago Sun-Times "Riveting. . . . An

uncommonly accomplished page-turner." -Elle
