The Ghost Files Apryl Baker 2013-08-13 Cherry blossom lipstick: check Smokey eyes: check Skinny jeans: check Dead kid in the mirror: check For sixteen year old Mattie Hathaway, this is her normal everyday routine. She's been able to see ghosts since her mother tried to murder her when she was five years old. No way does she want anyone to know she can talk to spooks. Being a foster kid is hard enough without being labeled a freak too. Normally, she just ignores the ghosts and they go away. That is until she see's the ghost of her foster sister... Sally. Everyone thinks Sally's just another runaway, but Mattie knows the truth-she's dead. Murdered. Mattie feels like she has to help Sally, but she can't do it alone. Against her better judgment, she teams up with a young policeman, Officer Dan, and together they set out to discover the real truth behind Sally's disappearance. Only to find out she's dealing with a much bigger problem, a serial killer, and she may be the next victim... Will Mattie be able to find out the truth before the killer finds her?

Ghost Work Mary L. Gray 2019 "A startling exposé of the invisible human workforce that powers the web--and how to bring it out of the shadows. Hidden beneath the surface of the internet, a new, stark reality is looming--one that cuts to the very heart of our endless debates about the impact of AI. Anthropologist Mary L. Gray and computer scientist Siddharth Suri unveil how the services we use from companies like Amazon, Google, Microsoft, and Uber can only function smoothly thanks to the judgment and experience of a vast human labor force that is kept deliberately concealed. The people who do 'ghost work' make the internet seem smart. They perform high-tech, on-demand piecemeal work: flagging X-rated content, proofreading, transcribing audio, confirming identities, captioning video, and much more. The shameful truth is that no labor laws protect them or even acknowledge their existence. They often earn less than legal minimums for traditional work, they have no health benefits, and they can be fired at any time for any reason, or for no reason at all. An estimated 8 percent of Americans have worked in this 'ghost economy,' and that number is growing every day. In this unprecedented investigation, Gray and Suri make the case that robots will never completely eliminate 'ghost work' and the unchecked quest for artificial intelligence could spark catastrophic work conditions if not stopped in its tracks. Ultimately, they show how this essential type of work can create opportunity--rather than misery--for those who do it."--Dust jacket.

The Ghost Files 3 Apryl Baker 2014-06-09 One, two, the ghosts are coming for you... Three, four, better salt your door... Five, six, death and hatred mix... Seven, eight, help will come too late...

Nine, ten, never reap again... Seventeen year old Mattie Hathaway has enough on her plate without having to deal with the latest teenage ghost drama. The ghosts of eight murdered girls are out for her blood. They blame Mattie for their deaths. She has to figure out what happened to them before they make sure she ends up just like them...dead and angry. Not only that, but she has to face the greatest fear of her young life, the death of the only person she's ever loved. Can she let nature take its course or will she interfere and cause the balance of life and death to spiral out of control? She's out of time, and doesn't know if she should trust Silas, the demon who has taken a very disturbing interest in her, or her father, a man just as evil as Silas. Either way, she has to make a choice. But what will it cost her and those she loves?

Ghosts from the Nursery Robin Karr-Morse 2007-12-01 This new, revised edition incorporates significant advances in neurobiological research over the past decade, and includes a new introduction by Dr. Vincent J. Felitti, a leading researcher in the field. When Ghosts from the Nursery: Tracing the Roots of Violence was published in 1997, it was lauded for providing scientific evidence that violence can originate in the womb and become entrenched in a child's brain by preschool. The authors' groundbreaking conclusions became even more relevant following the wave of school shootings across the nation including the tragedy at Columbine High School and the shocking subsequent shootings culminating most recently in the massacre at Sandy Hook Elementary School in Newtown, Connecticut. Following each of these media coverage and public debate turned yet again to the usual suspects concerning the causes of violence: widespread availability of guns and lack of mental health services for late-stage treatment. Discussion of the impact of trauma on human life—especially early in life during chemical and structural formation of the brain—is missing from the equation. Karr-Morse and Wiley continue to shift the conversation among parents and policy makers toward more fundamental preventative measures against violence.

Model Rules of Professional Conduct American Bar Association. House of Delegates 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Girl and the Ghost Hanna Alkaf 2020-08-04 * Chosen as a 2020 Kirkus Prize Finalist for Young Readers' Literature! * A Malaysian folk tale comes to life in this emotionally layered, chilling middle grade debut, perfect for fans of The Book of Boy and The Jumbies. I am a dark spirit, the ghost announced grandly. I am your inheritance, your grandmother's legacy. I am yours to command. Suraya is delighted when her witch grandmother gifts her a pelesit. She names her ghostly companion Pink, and the two quickly become inseparable. But Suraya doesn't know that pelesits have a dark side—and when Pink's shadows threaten to consume them both, they must find enough light to survive . . . before they are both lost to the darkness. Fans of Holly Black's Doll Bones and Tahereh Mafi's Furthermore series will love this ghostly middle grade debut that explores jealousy, love, and the extraordinary power of friendship.

The 48 Laws Of Power Robert Greene 2010-09-03 THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

_____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

Cisco Cookbook Kevin Dooley 2003-07-24 While several publishers (including O'Reilly) supply excellent documentation of router features, the trick is knowing when, why, and how to use these features There are often many different ways to solve any given networking problem using Cisco devices, and some solutions are clearly more effective than others. The pressing question for a network engineer is which of the many potential solutions is the most appropriate for a particular situation. Once you have decided to use a particular feature, how should you implement it?

Unfortunately, the documentation describing a particular command or feature frequently does very little to answer either of these questions. Everybody who has worked with Cisco routers for any length of time has had to ask their friends and co-workers for example router configuration files that show how to solve a common problem. A good working configuration example can often save huge amounts of time and frustration when implementing a feature that you've never used before. The Cisco Cookbook gathers hundreds of example router configurations all in one place. As the name suggests, Cisco Cookbook is organized as a series of recipes. Each recipe begins with a problem statement that describes a common situation that you might face. After each problem statement is a brief solution that shows a sample router configuration or script that you can use to resolve this particular problem. A discussion section then describes the solution, how it works, and when you should or should not use it. The chapters are organized by the feature or protocol discussed. If you are looking for information on a particular feature such as NAT, NTP or SNMP, you can turn to that chapter and find a variety of related recipes. Most chapters list basic problems first, and any unusual or complicated situations last. The Cisco Cookbook will quickly become your "go to" resource for researching and solving complex router configuration issues, saving you time and making your network more efficient. It covers: Router Configuration and File Management Router Management User Access and Privilege Levels TACACS+ IP Routing RIP EIGRP OSPF BGP Frame Relay Queueing and Congestion Tunnels and VPNs Dial Backup NTP and Time DLSw Router Interfaces and Media Simple Network Management Protocol Logging Access Lists DHCP NAT Hot Standby Router Protocol IP Multicast

The Man in the Picture Susan Hill 2010-10-01 A mysterious depiction of masked revellers at the Venice carnival hangs in the college rooms of Oliver's old professor in Cambridge. On this cold winter's night, its eerie secret is revealed by the ageing don. The dark art of the Venetian scene, instead of imitating life, has the power to entrap it. To stare into the painting is to play dangerously with the unseen demons it hides, and become the victim of its macabre beauty ...

The Book of Illumination Mary Ann Winkowski 2009-10-06 The criminal underworld meets the spiritual otherworld in this thrilling debut collaboration between the inspiration for television's The Ghost Whisperer and an award-winning writer/director. Anza O'Malley is in most ways a typical single mom. She lives a happy, busy life with her five-year-old son in Cambridge, Massachusetts, juggling the joys and challenges of life as a doting parent and a freelance bookbinder. But there is more to Anza than meets the "ungifted" eye: she can see and speak with ghosts. Although she's been solving cold cases for the police for years, Anza has been hoping to focus her energies on her son and her bookbinding career. But when an exquisite and priceless illuminated manuscript is stolen from the Boston Athenaeum, and when its desecration spurs the appearance of some very unhappy spirits, Anza can neither look nor walk away. With an unlikely trio of ghosts by her side—a charming butler and two medieval monks—Anza leads us on an urgent journey through Boston's winding, cobbled streets to uncover a trail of deceit, danger, and ghoulish intrigue.

Ghosts of Manhattan (A Ghost Novel) George Mann 2014-09-12 1926, New York City. It's the roaring twenties but not as history remembers it. Coal-powered cars line the streets, while zeppelins and biplanes patrol the skies. The US is locked in a bitter cold war with a British Empire that still covers half the globe and the "Lost Generation" is drinking away the nightmares of the trenches. In Manhattan a run-down police force is losing the fight against a tide of powerful mobsters, and against one in particular: The Roman. His henchmen - not all of them human - stalk the streets, and the body count is rising. It's a time in need of a hero. It's a time in need of The Ghost.

The Ghost Files 5 Apryl Baker 2018-08-30 Mattie Hathaway has survived everything from insane ghosts to her own mother trying to murder her. But now she's faced with a choice that will cost her everything

The Ghost and the Graveyard Genevieve Jack 2012-09 Left destitute by her unscrupulous ex-boyfriend, Grateful Knight accepts her father's offer of a rent-free house despite the fact that a graveyard touches the home's back door. But the gorgeous cemetery caretaker, Rick, is set on helping her feel at home, and she can't keep her hands off him. And then a sexy ghost with a dark secret enters the home. Can she solve the mystery of the ghost and decide whether to give her love to Rick or to the ghost?

The Ghost Files 2 Apryl Baker 2014-01-06 At seventeen years old, Mattie Hathaway has survived her mother attempting to kill her, multiple foster homes, and a serial killer. Oh, and she sees ghosts on a regular basis too. You'd think Fate would give her a break right? Umm...nope, not Mattie. Dan Richards is the only person in the entire world Mattie trusts, but then the boy goes and breaks her heart. Mattie does what she does best, she runs and lands herself slap in the middle of a haunted house full of ghosts turned vengeful that want Mattie to join their ranks. Only bright spot on all this? Eli Malone - the gorgeous boy with the beautiful aqua eyes that makes her feel things she's never even imagined before. She's not sure what to do with him, especially when Dan shows up glowering at him. She'll figure Eli out if she can survive the house. The ghosts are bound and determined to kill her so she'll be one of them. Now if she can just figure out how to survive them and the demon stalking her, she might be able to decide what to do about her feelings for Dan and Eli. That is if she can survive the night in the house.

Excel Hacks David Hawley 2007-06-20 Millions of users create and share Excel spreadsheets every day, but few go deeply enough to learn the techniques that will make their work much easier. There are many ways to take advantage of Excel's advanced capabilities without spending hours on advanced study. Excel Hacks provides more than 130 hacks -- clever tools, tips and techniques -- that will leapfrog your work beyond the ordinary. Now expanded to include Excel 2007, this resourceful, roll-up-your-sleeves guide gives you little known "backdoor" tricks for several Excel versions using different platforms and external applications. Think of this book as a toolbox. When a need arises or a problem occurs, you can simply use the right tool for the job. Hacks are grouped into chapters so you can find what you need quickly, including ways to: Reduce workbook and worksheet frustration -- manage how users interact with worksheets, find and highlight information, and deal with debris and corruption. Analyze and manage data -- extend and automate these features, moving beyond the limited tasks they were designed to perform. Hack names -- learn not only how to name cells and ranges, but also how to create names that adapt to the data in your spreadsheet. Get the most out of PivotTables -- avoid the problems that make them frustrating and learn how to extend them. Create customized charts -- tweak and combine Excel's built-in charting capabilities. Hack formulas and functions -- subjects range from moving formulas around to dealing with datatype issues to improving recalculation time. Make the most of macros -- including ways to manage them and use them to extend other features. Use the enhanced capabilities of Microsoft Office 2007 to combine Excel with Word, Access, and Outlook. You can either browse through the book or read it from cover to cover, studying the procedures and scripts to learn more about Excel. However you use it, Excel Hacks will help you increase productivity and give you hours of "hacking" enjoyment along the way.

A Fate Unknown Sinclair Kelly 2020-07-11 I'd love to tell you how I got stuck in a house in the middle of Nowhereville, Illinois. Or how many years I've spent with no memory of the person I used to be. But I can't. Those details are locked down tight inside the chaos of my mind, and I don't have the key. The only thing I do know - I'm dead. Major bummer, right? I spend my days doing what I do best - scaring off anyone who steps foot inside my house. Of course, ghost girls can't own houses, but that's beside the point. A girl's got a rep to maintain, and after a close call a while back, I've had to step up my game. This ghost girl doesn't want to be exorcised anytime soon. Just when my unlife is getting increasingly dull, a team of hot paranormal researchers shows up to investigate the cause of all the unusual activity. Now I don't know whether I should bust out my normal bag of tricks or take a chance on making my presence known in other, potentially naughty, ways. Don't judge. Ghost girls have needs too, ya know, and mine have gone unmet for way too long. Cole, Knox, Macklin, Thad & Levi might have just gotten more than they bargained for - namely, me - but this feels like so much more than insta-lust. With every encounter, this sense of familiarity just won't leave me the hell alone. Who are they? Who am I? In the end, maybe I'll finally know the truth, and the guys might just get something they didn't even know they were missing. A Fate Unknown is book one in a medium-burn, why choose trilogy. The FMC will have a HEA with all of her guys by book three.

Anya's Ghost Vera Brosgol 2011-06-07 Anya could really use a friend. But her new BFF isn't kidding about the "Forever" part . . . Of all the things Anya expected to find at the bottom of an old well, a new friend was not one of them. Especially not a new friend who's been dead for a century. Falling down a well is bad enough, but Anya's normal life might actually be worse. She's embarrassed by her family, self-conscious about her body, and she's pretty much given up on fitting in at school. A new friend—even a ghost—is just what she needs. Or so she thinks. Spooky, sardonic, and secretly sincere, Anya's Ghost is a wonderfully entertaining debut graphic novel from author/artist Vera Brosgol. This title has Common Core connections. Anya's Ghost is a 2011 Kirkus Best Teen Books of the Year title. One of School Library Journal's Best Fiction Books of 2011. One of Horn Book's Best Fiction Books of 2011. Winner of the 2012 Eisner Award for Best Publication for Young Adults (Ages 12-17)

Wish You Weren't Here Gabby Hutchinson Crouch 2021-10-07 The Rook family run a little business: ghost hunting. And things has picked up recently. Something's wrong. It's been getting noticeably worse since, ooh, 2016? Bad spirits are abroad, and right now they're particularly around Coldbay Island, which isn't even abroad, it's only 20 miles from Skegness. The Rooks' 'quick call out' to the island picks loose a thread that begins to unravel the whole place, and the world beyond. Is this the apocalypse? This might be the apocalypse. Who knew it would kick off in an off-season seaside resort off the Lincolnshire coast? I'll tell you who knew - Linda. She's been feeling increasingly uneasy about the whole of the East Midlands since the 90s.

Dolly Susan Hill 2012-10-05 The remotest parts of the English Fens are forlorn, lost and damp even in the height of summer. At Lyot Lock, a large decaying house, two young cousins, Leonora and Edward, are parked for the summer with their ageing spinster aunt and her cruel housekeeper. At first the unpleasantness and petty meannesses appear simply spiteful, calculated to destroy Edward's equanimity. But when spoilt Leonora is not given the birthday present of a specific dolly that she wants, affairs inexorably take a much darker turn with terrifying, life-destroying consequences for everyone.
