The Skinkadink Bradler Smith ***A quest fantasy/fantasy fiction adventure ... The good folk of Wilstrome had lived with the ever-looming threat of the Skinkadink - or as they often refer to it, the monster in the mountains - for as long as they could remember. After a previous failed attempt to destroy the foul beast, the Skinkadink went quiet. Many believed it had

succumbed to its wounds and was not seen or heard of again ... until now. Worrying talk of sightings and missing farm animals had led some to believe that it was stirring again and would wreak havoc on Wilstrome once more. The brave, sword cane fighting weasel, Plodweasel and his best friend, a rare two-footed scritch, known as Tamfoot, are tasked with forming a brave band of adventurers and undertaking a perilous quest; hunting and destroying the Skinkadink. With the aid of an orphaned boy, a young fisherman, named Brillo, they set about forming their party and ultimately, embark on an epic quest to end the monster's reign of terror.

The Goodbye Man Chad Barton 2011-07-08 As more people filled the packed church, Jack was forced to move down the wall toward the front, until he was very near the altar. From that vantage point, he could see the young mother's face. He found himself staring at her, unable to look away. He didn't know why. Perhaps it was the terrible sadness in her face. He watched her intently as she clutched a little brown teddy bear and a picture of her daughter, who now lay only feet away in a small casket. The size of it made him wince. Jack felt the anger rise within him. At sixty years old, Jack Steele has long since retired from putting criminals especially those that hurt children in prison. Following his retirement from law enforcement, he built a successful multimillion-dollar company, allowing him financial freedom in his golden years. Following the unexpected loss of his wife, Sarah, however, he withdraws into himself. He becomes a loner whose only companion is his German shepherd, Sadie. Sick of a court system that lets monsters out of prison to torture and kill again and again, he decides there is only one way to stop them. Using his own resources, his credentials as a retired police officer, and his .380 Walther, he and his dog begin to hunt bringing justice to those whom the system cannot control. After all, enough is enough.

Calgarron Howard McKenzie 2013-02 Calgarron is the story of one man's life from boy to warrior to lover to husband and father. Set to the background of the Japanese invasion of the Malay Peninsula and the Second World War, his fast-paced novel moves through Asia, Australia, USA, and Europe. War brings injury, friendship, and love, but his family secrets shatter his life and grip on reality. Lavinia Calgarron looked down at her son fast asleep in his bed. The last hundred years' war had ravished not only her own family but especially the Calgarron family. Lavinia had lost her husband during the First World War, and now deep into the Second World War, the only Calgarron left lay wounded in a bed in Darwin hospital. He was the captain of a destroyer and had returned in triumph from a rescue mission on Timor but in the process had broken his leg. Lewis Calgarron lay sleeping; he was thinking of Sophie, the woman he loved. They had met under such unusual circumstances thrown together by war. She had lost everything; he had lost estates, wealth, and status because of the war with Japan. He needed to build back that fortune, and he felt under self-applied pressure to produce an heir to carry the dynasty forward. He was determined to not only win the war but to win the peace. "Lavinia out!" he heard. He opened his eyes and saw his mother standing near the door. Lewis thought he was dead! He smelt her first, that unmistakably scent, her musk. He slowly turned his head and looked deep into Sophie's eyes. She smiled at him and whispered, "Lewis Calgarron, I love you." He smiled back at her and said, "I love you too. Was that my mother?"

Tales From The Seaside Borry Porter 2013-11-26 These tales from the author's life experiences are mostly light-hearted but they all true. They start with Nellie the dinghy who eventually became the long, red, sleek speedboat named The Phantom. Some of the tales also involve the caravan that the author's father bought when Borry was thirteen years old. The family spent almost every weekend from March to October at St. Lawrence Bay in the wilds and farmlands of Essex, by the River Blackwater with recurring battles against screaming winkles, the bog of eternal stench and the evil mud sucking monster. Fun and frolics ensued for over forty-eight years.

The Broken Spear Jacob M. Van Zyl 2011-01-13 Man and beast exert themselves to survive—by fight, flight, or submission. Respecting the pecking order prevents conflict, but when leaders are challenged, lethal fights for dominance may occur. However, the survival of the fittest is sometimes thwarted by the sheer tenacity of the underdog. In first century Corinth, nine-year-old Jason is teased and bullied by his pugnacious rival, Krato, who is two years older. Jason's grandfather urges him to take the submissive role until he and his rival are both adults. Then the two year difference will vanish, enabling Jason to throw off Krato's reign by beating him in the discus and javelin events at the Isthmian Games. When that long anticipated day arrives, Jason is both winner and loser. His dream turns into a nightmare. He flees for his life, bringing immense hardship on himself and his beloved Tabitha. Sexy Diana tries luring Jason in the wrong direction. The apostle Paul arrives with the holy gospel in their wicked city. The Christian message is woven into the fabric of choices and consequences. Circumstances beyond their control eventually bring the four Corinthians together in a place of horror. In the face of death, old beliefs are turned upside down. They only have a broken spear for defense.

Sharing the Easter Faith with Children Carolyn C. Brown 2011-07-01 Sharing the Easter Faith with Children is theologically sound, biblically focused, educationally on target, and developmentally appropriate. Carolyn Brown writes clearly and helpfully, with conviction and passion for what to share and how to share one's faith with children. It should be required reading for every parent, educator, and pastor who wants to communicate and celebrate the Easter faith with children. Brown packs a lot of practical suggestions, insights, and activities into this very readable resource. I am confident children will mature in their understanding and affirmation of the Easter faith when they have been nurtured in families and congregations that take seriously what Brown offers. --Donald Griggs, author of *Teaching Today's Teachers to Teach* It is easy to share the Christmas story and faith with children. The story is beautiful and lends itself well to pageants and other celebratory events for children. It is not so easy to share the Easter story and faith with children because the message and images are complex. Many parents have trouble articulating what Easter means to them personally much less answering their children's questions. In many congregations children are featured in palm parades on Palm Sunday, but they are not

specifically planned for at other Holy Week services. When schools schedule an Easter break, many families go away and thus unintentionally bypass the whole Easter message for years. This book explores what the Easter message can mean to children as they grow up. The author helps congregations and families share the Easter message with their children and include the children meaningfully in Lent, Holy Week and Easter observances. Included are materials for children from birth (in the church nursery) to age 12, and reproducible pages to create a booklet for parents. The first section of the book describes the particular parts of the Easter faith that are important to children at different ages and comments on the biblical Easter texts from a child's point of view. The second part of the book works through the Lenten season, describing ways congregations can include children and providing program and worship plans, including: Lenten disciplines for children and their families Ash Wednesday Celebrating Palm Sunday or looking ahead on Passion Sunday Maundy Thursday: Recalling the Last Supper Keeping Good Friday The church-sponsored Easter Egg Hunt Easter Sunday Morning Another part of the book offers help to leaders who want to share the content with teachers, parents, or committees. Also included is a comprehensive list of related resources. This carefully researched and well-grounded, practical resource from a highly regarded Christian educator will strengthen your educational ministry with children and support parents as they shape the faith of their children.

Blue Skies, Green Hell Marilyn Lazzari-Wing 2012-08-08 Blue Skies, Green Hell, a thriller written by a bush pilot's wife, is a riveting tale set in the 1950s when pioneers of the sky flew single-engine aircraft over unforgiving wilderness and impenetrable jungle in Venezuela. Marilyn and Frank live in a place called the last frontier on the Orinoco River where he establishes a multi-aircraft service that flies supplies and medicine to remote and inaccessible communities. Together they challenge the odds and take the exhilaration of flying to new heights. Their world is fierce weather with no weather reports, aircraft with limited range radios, and planes with six basic instruments. A search and rescue effort ends when they make a forced landing in no man's land. A flight to Miami turns sour as their twin-engine C-46 conks out over the Caribbean. Best friends die in fiery crashes. Astonishingly an Indian appears where he shouldn't be. This is drama from the cockpit of vintage aircraft.

Winter Sky Coleman Barks 2008 As the foremost translator of thirteenth-century mystic poet Jalal Al-Din Rumi, Coleman Barks reaches a devoted, inspired, and ever-widening international audience. Yet the foundation for Barks's work as a translator is his own significant body of work as a poet. *Winter Sky* offers a selection from Barks's seven previously published books combined with a group of new poems. Barks's open-hearted, free verse poetry is infused with a joy of the spirit at play with the forms of the world. His journey through life is deeply embedded in his work. The poems spring directly from experience and engage with subjects such as the elation and struggle of having and raising children, grief over the deaths of loved ones, the transition from parent to grandparent, or the changing nature and intensity of desire. Barks's open letter to President Bush, written days before the invasion of Iraq and widely circulated online, is a poetic plea for peace, offering a startling and moving alternative to war. Whether it is the childhood excitement of being named best athlete at summer camp or the early signs of dementia at the age of seventy, Barks uses the personal to convey the universal. The unique flow of a life is here in poems that are rueful, confused, torn, and grateful, but always informed by Barks's transcendent sense of joy and playfulness.

An Escape Teresa L. Jones 2009-06 My best friend, Josy, had asked me to write a story about a secret she had been keeping for years. I have changed some names to protect the innocent, and the guilty from being held liable. Josy and her family went on a festive Hawaiian cruise for Thanksgiving. They were surprised to hear that one of the most famous celebrities in Hollywood was going to be promoting his newest movie by performing a show. The smiles of a family vacation were shattered when Josy received a vicious injury while lounging at the pool. The ship's security needed to find the answers for Josy, her family, and the passengers on the ship. While recuperating in her state-room, Josy saw what looked to be a baby being thrown into the ocean. Josy's mothering instinct made her jump into the ocean to save the child. The Hollywood celebrity was walking through the passageway near Josy's door and heard her cries for help, and was soon

to participate in the role and adventure of a lifetime.

Destiny Has No Favorites Dieter Klett 2012-10 This is a story of a person arriving in this country in this country and in this city where he eventually ended up in the middle of the night, not knowing a soul in Canada and having just about \$10.- in his pocket. Using my imagination I let this imaginary person - Peter- show the reader the adventures and misadventures he and eventually his family experienced in this for him so strange and at the same time exciting new place. I decided to cover a period of roughly the first 25 years Peter spent in his new chosen homeland. I could have continued showing the development of his and his family's life after the 25 year period, but I decided against that. I wanted this story to have closure. Another possible book would show the reader how Peter's life continued after 25 years and would show us how he and his loved ones continued with their lives with its ups and downs. The gist of the events occurred from the mid 1950's until the early 1980's. I actually completed this book in 1982. It was lying in my filing cabinet for 30 years, because I never had either the time or inclination to publish in writing. The title of this publication: "Destiny has no Favorites" is correct. Destiny, or fate, has no favorites and we all are at the mercy of this destiny destined for us by that higher power we may call God, Nature, the Absolute Being, the Creator, Providence, the Omnipotent, Being the Supreme Soul or whatever name we feel better to accept the unacceptable.

House Of The Hidden Blade David Broughton 2012-05-13 It should have been an easy assignment, but in Jacob Hamilton's world nothing is. The contact, a middle aged man, left under the wheels of a high speed train, with nothing to show but a folder marked FOR YOUR EYES ONLY. To make matters worse, the target, a Russian petty thief known as Andrei Ovinko, has a secret past, a past that Jacob knows only too well, for you see Ovinko moonlights as an assassin. In his mind Jacob knows once contracts have been exchanged there is no going back on the deal, however there is one, small, fly in the ointment, the contract has been forged. The question is why and for what purpose? Bound by his own set of moralistic codes, Jacob knowing he has no choice, begins the hunt in hope, that by finding Ovinko, he will find out who is behind the forgery. Whether by design or by pure luck, he unwittingly stumbles on a hidden message contained within an old captain's desk submerged in an old shipwreck at the bottom of the Bering Sea, it is this clandestine note from the past that has him asking more questions than he has answers for. Torn between his devotion to the brotherhood and his desire to decode the hidden message, Jacob begins to ponder his own role as an assassin, a choice (or rather a decision) that will have consequences. Instead of doing what he is asked of him, he does what is needed of him. For once, his life as an assassin in The House Of The Hidden Blade, becomes a paradox of the man history determines him to be.
