The Miracles of Jesus Wessel Bentley 2012-10-01 What do the miracles of Jesus have to do with our lives today? Wessel Bentley describes Jesus' miracles as complex events. Not only did they transform people's lives through healing, multiplication, or resurrection, but they also challenged attitudes and beliefs. This is what makes Jesus' miracles timeless: they can still touch our lives today just as they did the lives of people 2,000 years ago. Each daily reading in this Lenten book begins with a scripture reading, followed by the author's reflections on that passage. Rather than being a scholarly verse-by-verse dissection of the text, Bentley's meditations invite you to listen to what God may be saying to you through the Bible passage. The daily meditations include thoughtful reflection questions, a prayer, and a prayer focus that lifts up persons or situations needing the touch of Jesus. To make each day's reading further relevant to your life, Bentley challenges you to remember at least one aspect of the meditation as you go through your day. This unique Lenten study helps you identify with the characters in the Bible stories. You will see yourself and others as persons who need grace and have the potential to be transformed by Jesus' love An excellent study for Lent, but this book can also be used anytime by individuals or groups wanting a deeper understanding of Jesus' miracles.

Reaching Toward Easter Derek Maul 2011-11-01 Derek Maul beckons you to join him on a devotional pilgrimage through Lent. Imagine yourself sitting at the table with Jesus and his disciples. Walk with Jesus on the dusty path from Bethany to Jerusalem. Watch him closely and listen to his words of grace, hope, and challenge as he moves purposefully toward the Cross. Reaching Toward Easter features 49 daily devotions that include in-depth Bible study, personal stories, and prayers. Maul hopes that you will arrive at Holy Week refreshed rather than tired, inspired rather than discouraged, reflective rather than overwhelmed. By the time you reach Easter, your pilgrimage will have prepared you to live as an "Eighth Day Believer"—a true follower of Jesus. 8-week study for individuals or groups Includes a Leader's Guide Journey to the Cross Will Walker 2017-01-16 As Christians, we know that Easter is perhaps the most important day of the year. But when we wake up on Easter Sunday, we often struggle to grasp the significance of the day and find ourselves on the outside of the celebration looking in. Journey to the Cross moves us closer to the heart of Easter through forty days of Bible readings, prayers of confession and thanksgiving, and daily devotional readings. This forty-day devotional takes a deeper look into six central themes of the Christian life: repentance, humility, suffering, lament, sacrifice, and death. Journey to the Cross moves beyond "doing penance" and helps Christians focus on Christ's sacrifice for us—the real meaning of Easter and the reason we celebrate. Journey to the Cross serves as a combined liturgical guide and devotional—presenting a call to worship, confessional, gospel reading, and daily devotional with application. This compact devotional guide meets the needs of Christians who want to prepare their hearts for Easter but don't know how, and it answers the growing desire of many to be connected to the broader history of the church. At its heart, Lent is all about Jesus—his suffering and sacrifice, all powered by his love for his people. Taking the time to meditate on the cross will give readers the opportunity to re-center their hearts, reframe their lives, and rekindle their love for Christ this Easter.

The Kerygma Class 7: 14 Devotional: A Collection of Devotional E-mails Praying for Our Nation K. L. Claibourne 2019-12-31 What started out as daily email reminders for her church's Bible study group, during the period of Lent, became inspiration for the members and their families to know God was present, there for them at all times. Author Kelly Claibourne was part of the Kerygma class at her church, a Bible Study Fellowship class, and was asked to create email reminders for members to follow their pastor's instructions to pray for our nation at 7:14 in the morning or evening, using 2 Chronicles 7:14 as a guide. This was to be during Lent, the day after Ash Wednesday to Easter. The Kerygma Class 7:14 Devotional comprises those daily emails Kelly wrote to encourage the members to pray. However, Kelly noticed the more she wrote the prayer emails, the more she felt God was speaking to the members through the messages. As the emails continued throughout the Bible study's time of prayer, Kelly began to reflect more on how God's Word was comforting life situations that were impacting the group. One member was diagnosed with colon cancer; another passed away right before Easter from a cancer battle; mass shootings and other social

issues that caused the group, and nation, to be troubled about the state of our country. Kelly also included meditations about the armor of God from Ephesians 6 and the Lord's Prayer in the emails. After being told that her prayer emails were also being sent to family members and friends enduring trials, Kelly felt the Lord was prompting her to collect these prayer emails into a book that would be available for all readers, believers and non-believers alike. The Kerygma Class 7:14 Devotional is a call to those reading to stop trying to handle life on their own and open their arms up to a loving God who wants a personal relationship with each of his children. If we call out for help and repent, He will heal us and our land.

Embracing the Sacred Seasons of Lent and Easter Janis Yaekel 2005 No one goes to the desert for forty days without expecting to find someone or something there. Christians, by their very nature, are seekers. We look for direction, we look for fulfillment, and we look for others who want to walk the road with us. We knock on the doors of the Desert Fathers and Mothers, seeking shelter and wisdom. Embracing the Sacred Season is a guide in this search, at the center of which we hope to find God. What happens when the door is opened, and we know that we are in the presence of God? These unique reflections for the entire seasons of both Lent and Easter, based on Scripture readings, are direct, and help us take an honest look at our relationship with God. Each is followed up by reflection questions and a prayer. Let Janis Yaekel take you on a spiritual dance with God, as you embrace the sacred season.

The focus for 2013 is the Lord's Prayer, not only reflecting on the relevant passages from the Gospels but considering the prayer in the wider context of New Testament teaching on prayer. Pilgrim: The Lord's Prayer Steven Croft 2013-10-01 Pilgrim is a major new teaching and discipleship resource from the Church of England. It will help enquirers and new Christians explore what it means to travel through life with Jesus Christ. A Christian course for the twenty-first century, Pilgrim offers an approach of participation, not persuasion. Enquirers are encouraged to practice the ancient disciplines of biblical reflection and prayer, exploring key texts that have helped people since the earliest days of the Christian faith. Believing that the Christian faith is primarily about relationship, Pilgrim aims to lay a foundation for a lifetime of learning more about God's love revealed in Jesus Christ and what it means to be his disciple. Assuming little or no knowledge of the Christian faith, Pilgrim can be used at any point on the journey of discipleship and by every tradition in the Church of England. Pilgrim is made up of two parts: Follow and Grow. Each consists of four short courses and a leaders' guide. Follow introduces the Christian faith for complete beginners, while Grow aims to develop a deeper level of discipleship in those who have turned to Christ. Each short course contains six-sessions, supported by online audio-visual resources. All sessions combine a simple framework prayer, reflection on the Bible in the lectio divina style, an article by a modern writer, and time for questions and reflection. This second book in the Follow Stage explores one of the greatest Christian treasures, the Lord's Prayer.

Water & Spirit 2022-10-14 Water and Spirit provides daily devotions for each day from Ash Wednesday to the Resurrection of Our Lord/Vigil of Easter (traditionally known as Holy Saturday). Devotions begin with an evocative image and a brief passage from the Gospel of John. The writers then bring their unique voices and pastoral wisdom to the texts with quotations to ponder, reflections, and prayers. For year A the Revised Common Lectionary assigns texts from John's gospel to the second through fifth Sundays in Lent, as well as Maundy Thursday, Good Friday, and the Vigil of Easter. These texts are included in this devotional. Several of them are unique to John: Jesus urges Nicodemus to be born again "of water and spirit," offers "living water" to a Samaritan woman at the well, raises Lazarus from the dead, washes the disciples' feet, and surprises Mary Magdalene at the empty tomb. As you read the daily devotions, pause to think about how John describes water and the Spirit, and how water and the Spirit are at work in your life.

A Journey to the Cross David L. Packer 2016-02-04 For serious followers of Jesus Christ, Lent is an opportunity to confront our own selfish tendencies and to humble ourselves before God. Since the seventh century, Christians have discovered real spiritual benefit as they have observed a season of spiritual emphasis before Easter a forty-day fast over six weeks from Ash Wednesday to Easter. This book is a devotional guide based on the Sermon on the Mount to help believers examine themselves and to deepen in their love and commitment for Christ. Despite persecution in many places on the globe, Christians today have a greater share of this world's wealth than previous generations. Wise believers have always been more concerned about the pollution of the church by the world from within than the threats against the church from without. Materialism, pride, and self-centeredness are issues that every generation of Christ-followers must address this is where the real spiritual battle takes place. This devotional guide is personal and introspective, guiding the believer to examine himself against the biblical standard and to refocus his life on Christ. It is a celebration of the Savior's constant love and mercy that forgives our sins, cleanses us within, lifts us up, and draws us to His face and His heart.

A Pattern for Prayer Nick Fawcett 2020-02-04 In this selection of nine readings, reflections, and prayers, Nick Fawcett offers brief thoughts and prayers on Matthew's version of the Lord's Prayer and on the teaching of Jesus that preceded it. Drawn from his book Daily Lent Reflections, we begin where Jesus began, focusing on the need to make time and space for God in personal devotion. From here we move to a recognition that prayer is not about imposing our wishes on God but about seeking his will and guidance. This leads us into the Lord's Prayer itself--so familiar, so well loved, yet with so many hidden depths still to be explored.

Eastertide Phyllis Tickle 2004-02-24 In her acclaimed trilogy, The Divine Hours, Phyllis Tickle introduced modern Christians to the time-honored practice of "praying the hours." In this exquisite new volume, she provides a vibrant program of prayer dedicated to the anticipation of Christ's resurrection. Beginning with Ash Wednesday and moving through Lent and on to Easter Sunday, Eastertide provides the daily prayers that bring practitioners into the full spirit of this season. Each day is filled with psalms, readings from the Bible, and hymns of praise and worship, just as they appear in the larger volume, The Divine Hours: Prayers for Springtime. Newcomers to this beloved tradition will find that Eastertide is the perfect introduction to joining the ancients in the tradition of fixed-hour prayer. "A wise rabbi once told me that it is not how many prayers we don't say that matters to God, but rather how many we do. That is important to all of us, but especially for beginners. If this is your first attempt to return to this most ancient of Christian practices, it is wise to remember that you are entering into a discipline and, like all disciplines, this one sits hard and heavy upon one at times. There are hours you will miss and/or some that you can't even begin to figure out how to observe. That is all right, for either the joy will carry you into greater joy and transmute the discipline into privilege, or you will find yourself simply the wiser and the richer for such experience as you have had. As the rabbi said, that is what matters ultimately."

Lenten Dailies Pamela Tapper 2011-10-03 This book is a book of daily devotions that can be read every day from Ash Wednesday until Easter Sunday. In Mathew 22: 36 - 40 Jesus said, Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself. All the law and the prophets hang on these two commandments. The verses in this book continue to support this scripture over and over again. Some of the verses were taken from the New International Version for clarity. Others were taken from the King James Version for its beauty and poetry. In most cases each verse is a only one page in length so that it can be easily read each day. This book is basically a book of faith in God and love for our fellow man. I hope the reader will be inspired to love God and love his neighbor.
